Performing with pride. After weeks of practice the band exhibits its talent and style while marching during halftime.

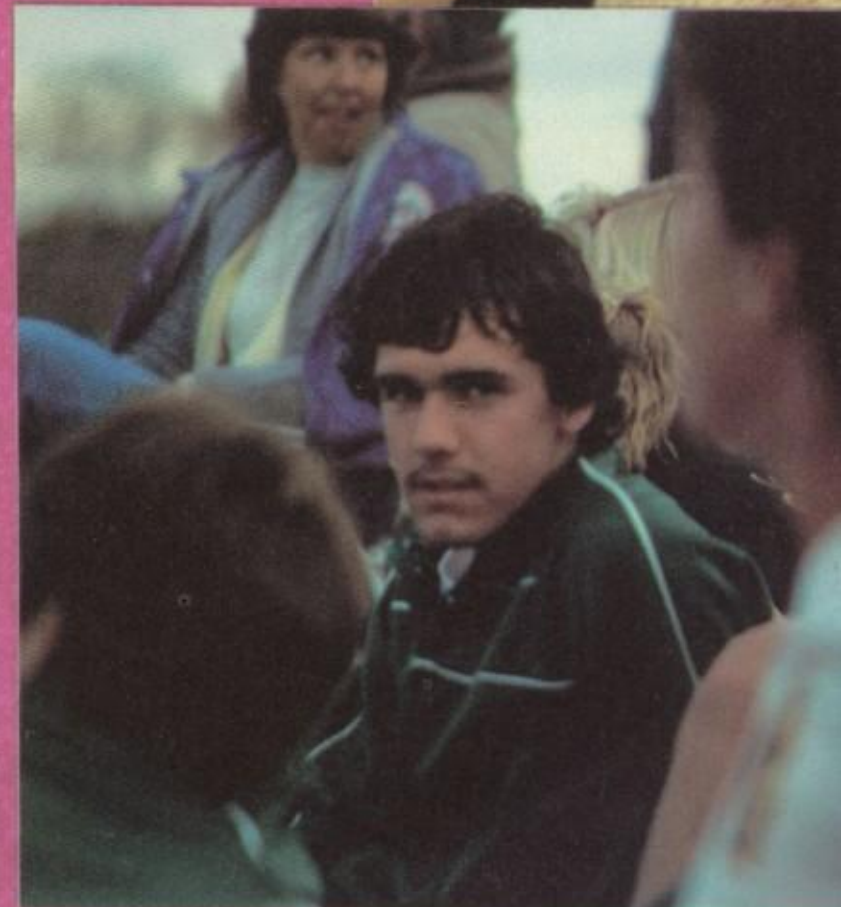

Relaxing at lunch. Seniors find time to discuss their social plans.

MAKING THE BEST EVEN BETTER

The students and staff have made the '86-'87 school year the BEST. From the origination of the Spirit Patrol to the new designs of the Casa Grande campus, there has been a great deal of participation by everyone. The year began with a feeling of excellence created by the football team's winnings and the spirit-filled Homecoming activities. This mood was carried throughout the year with the defeat of the Trojan football team and the dances which brought about a sense of togetherness. This year will be remembered as being BETTER THAN EVER!

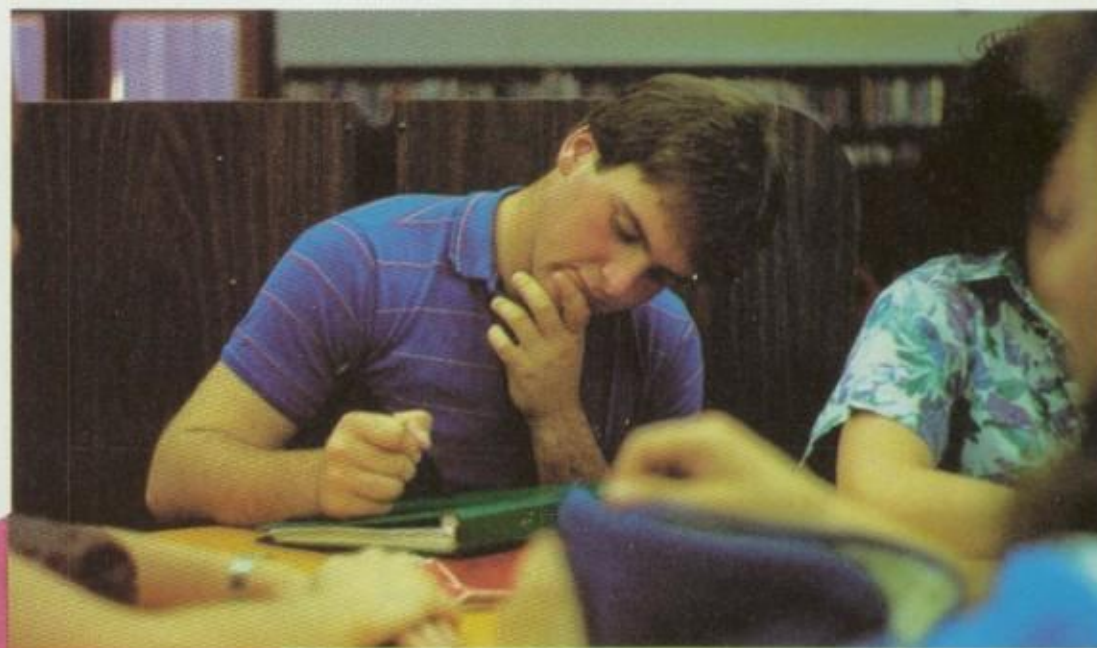

Evil eye?? Pat Phimister takes a moment to concentrate during halftime.

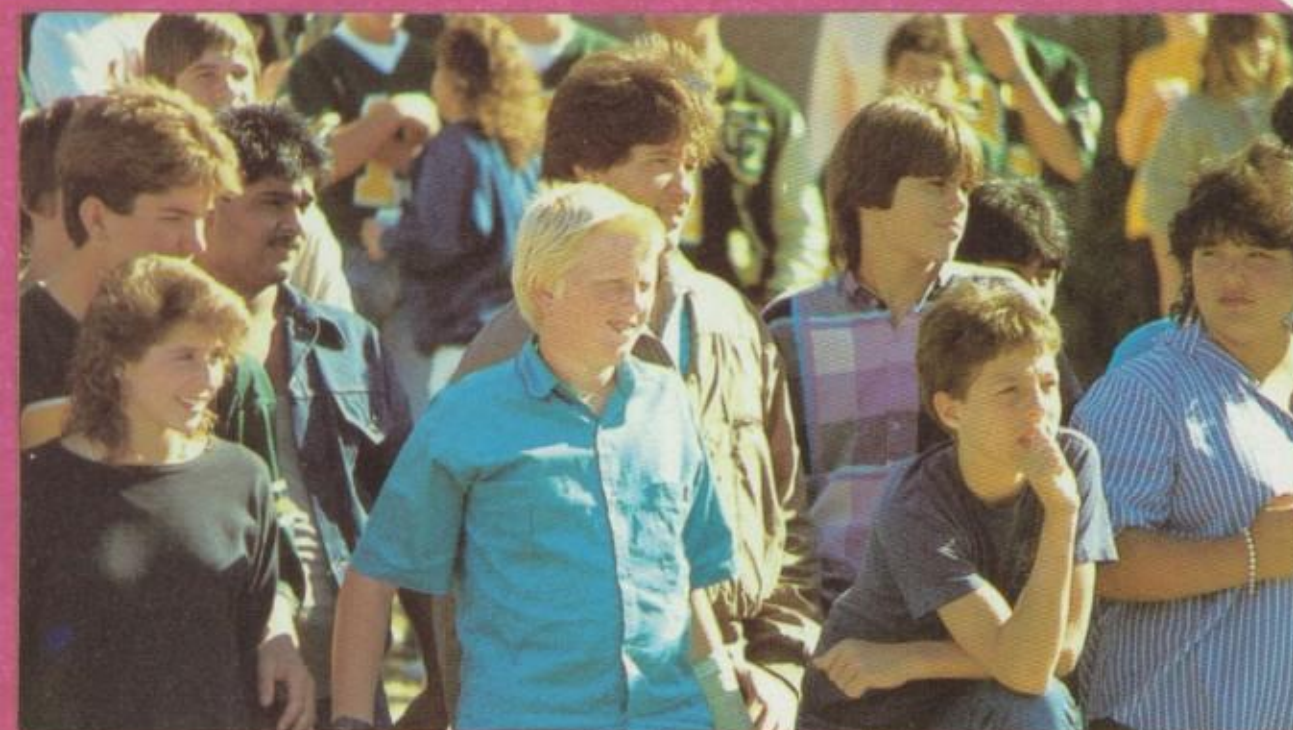

Any day now! Kathy Boyle impatiently waits to be called on.

Mustard? Taste experts, Janette Adkins and Kris Edwards express their feelings about cafeteria food.

The Moose is loose! Tony Amaral wonders if he'll ever finish (or even begin) his assignment.

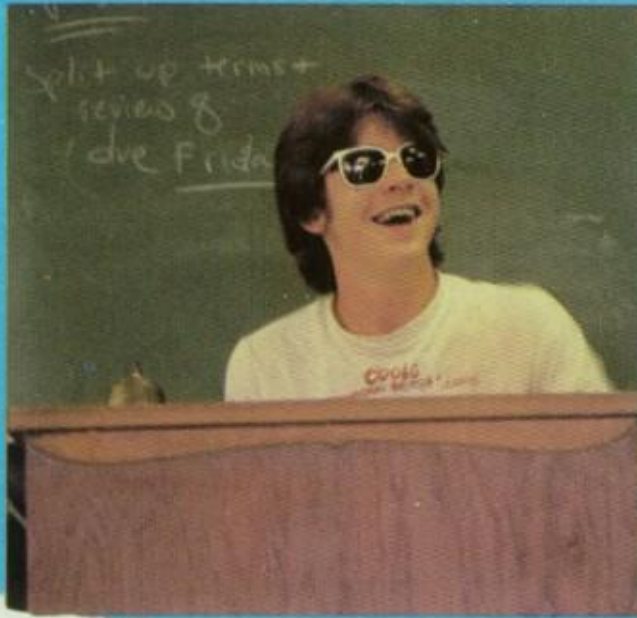

What in the world? A potpourri of spirited students congregate at the outside rally and are amazed by the strange activities.

Bad and beautiful. Felicia Smith looks forward to great things after graduation.

"Thank you, thank you." Mike St. Jovite gets sent to the front of the room, but keeps his cool.

I need an aspirin. Danas Eddy, vexed by the Senior chant, "Sophomores Suck", looks for a way out from social pressures.

Warning: the Surgeon General has determined that cigarette smoking is hazardous to your health.

"Who's your buddy?" Seniors Jeff Mantoani and Tony Bush discover what it means to really be on top.

Sealed with a kiss. CG students contemplate their next move.

"Tennis anyone?" Jenny Steuermagel takes time out to calculate the circumference of the tennis ball.

SO HOT, SO COOL, SO CASA GRANDE!

"How did we make Casa better?"

Last year, we moved into old, hand-me-down lockers. When we finally got them opened, our books were either drenched from rain, or our lockers had been casually opened and our books were not there at all.

We come back in '86 and Casa's given us new lockers. So hot, so cool, so Casa Grande.

Last year, our Homecoming Game was in the evening. After our popsicle bodies enjoyed the game, and watched our floats find their way through the dark, we'd rush home to get ready for the dance.

This year, in '86, our game was in the day. We enjoyed the sun, fun, and our friends, as well as our prize winning floats. With smiling faces and warm bodies, we went home to find plenty of time to get ready for the dance. So hot, so cool, so Casa Grande.

In years past, we have eagerly cheered on our Gauchos to find the Trojans rip us apart.

This year, we had the COURAGE, ABILITY and #1 Football team to rip, rip Trojans, rip Trojans apart. So hot, so cool, so Casa Grande. Let's continue to show them how we make our BEST EVEN BETTER.

MAKING THE BEST OF ... NO WALKWAYS

Success and failure. Ups and downs. Lows and highs. Wet and dry.

Can you guess which words we've mastered with regard to our overhangs?

Casa Grande's staff and student body has made several attempts to raise enough money for the enormous cost of our overhangs. Although unsuccessful, these fundraisers have brought the students together and added more spirit to our school.

At least you can say one thing about the rainy season

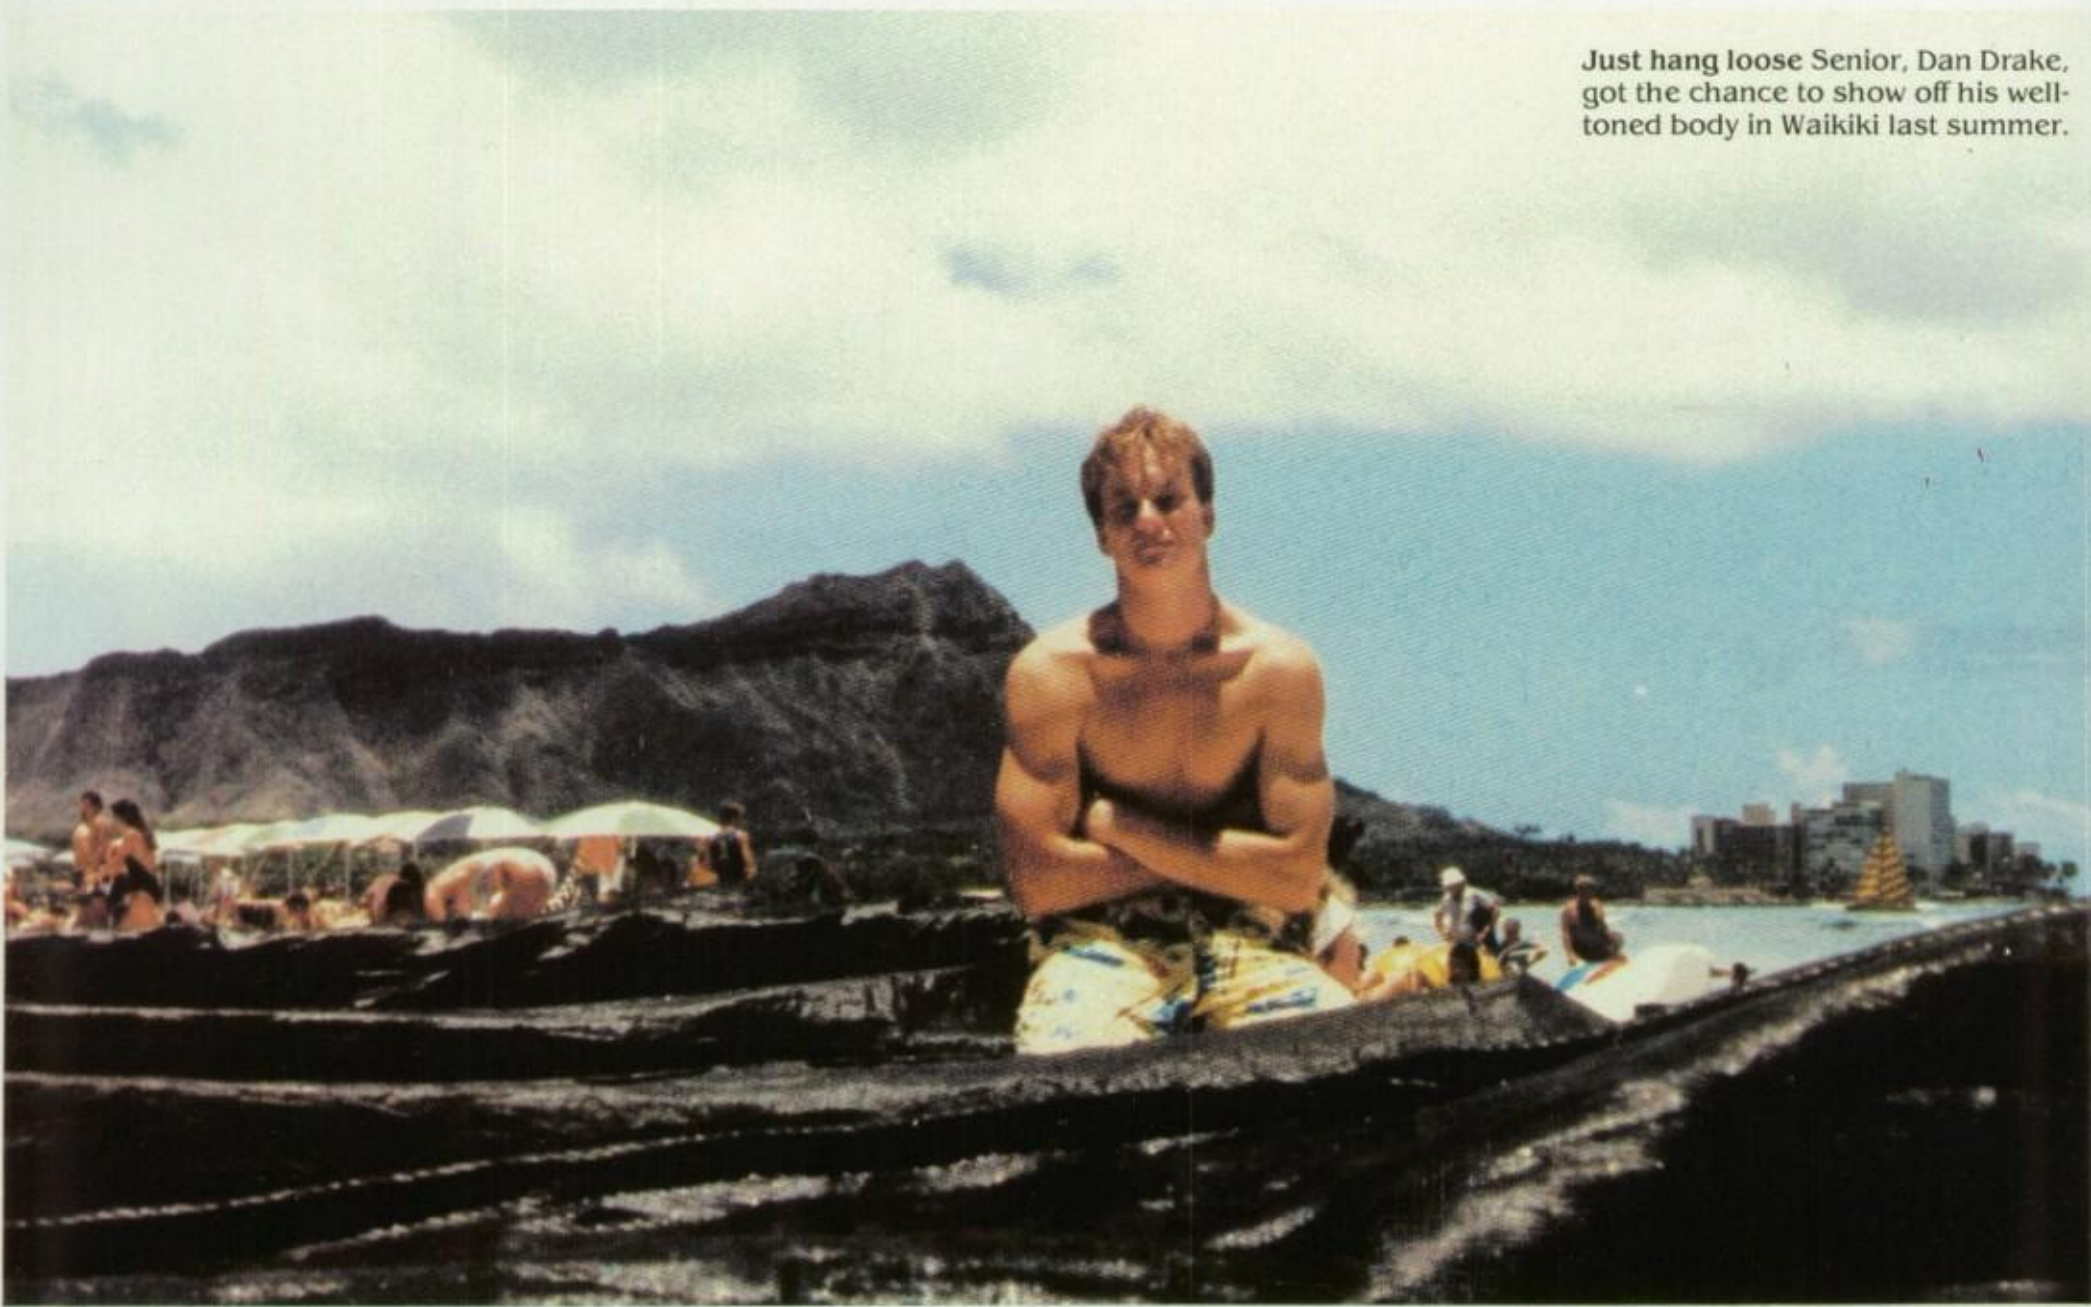

at Casa Grande High: it's almost fun. It gives the girls an excuse to brush their hair in class and gives them a chance to get a little closer to the guy they've had their eye on by running under his umbrella to keep dry. It also gives our school a little excitement and a story.

Maybe someday we will receive our long-awaited overhangs and be just like every other school. Until then, we'll just continue to be unique and very wet, while we make the best from the overhangs that aren't there.

Just hang loose Senior, Dan Drake, got the chance to show off his well-toned body in Waikiki last summer.

Walk like an Egyptian! Casa Seniors, Regina Sahagun, Sofia Ferrer, Lisa Rosenthal, and Tammy Highland as well as a Casa Alumnus, Tony Darley, visit a Novato State Park and get noticed.

Waiting for a ride. The CG Drill Team waits patiently for their ride to the Drill Camp they attended in order to sharpen their skills and have a good time. Back Row: Anita Villa, Heather Allen, Jennifer Chism, Denise Long. Front Row: Lori Devita & Helen Mainaris.

Senior students shrink. Karen Petersen and Vicki Ramsey take time out to rest at the set of the Incredible Shrinking Woman.

"What did you say?" While visiting Marine World in Vallejo, Beth Mann attracts the attention of a mime.

June 13, 1986

School's Out!

When faced with three months of summer vacation, what does one do for excitement? Well, to the students of Casa Grande, it was a time for relaxation and fun!

Students were engaged in a variety of different activities. Some set out for entertainment at a local party, others went to the Phoenix Theater to see a summer blockbuster, and some just socialized. Teenagers also made sure never to miss a movie at the Washington Square Theater on Tight-Wad Tuesdays when the movies cost only one dollar. Dancing was a favorite and a large group of teens would gather every Friday night at the Kenwilworth Teen Dance to dance the night away.

The weather encour-

aged many outdoor activities. For sports lovers, there were baseball games and hot dogs at the park. Barbeque's, parties, taking a trip to the Russian River, or just spending a hot lazy day at Salmon Creek with friends amused many people.

Summer was also the time for ambitious teenagers to work and earn their own money, if it was to save up for that new car or just to have extra spending money.

Whatever the activity, the warmth of the weather and the knowledge that no school bell would ring in the morning added to the full enjoyment of the 1986 summer.

What's up duck? Lisa Cercos and Gina Bellovich win a trip to Disneyland and find a new friend.

"I'm in trouble now! Erich Kircher takes a close look at Buckingham Palace.

What's so funny? Mr. Furrer chuckles at a comment made by a visiting parent. His classroom was one of the main attractions that night.

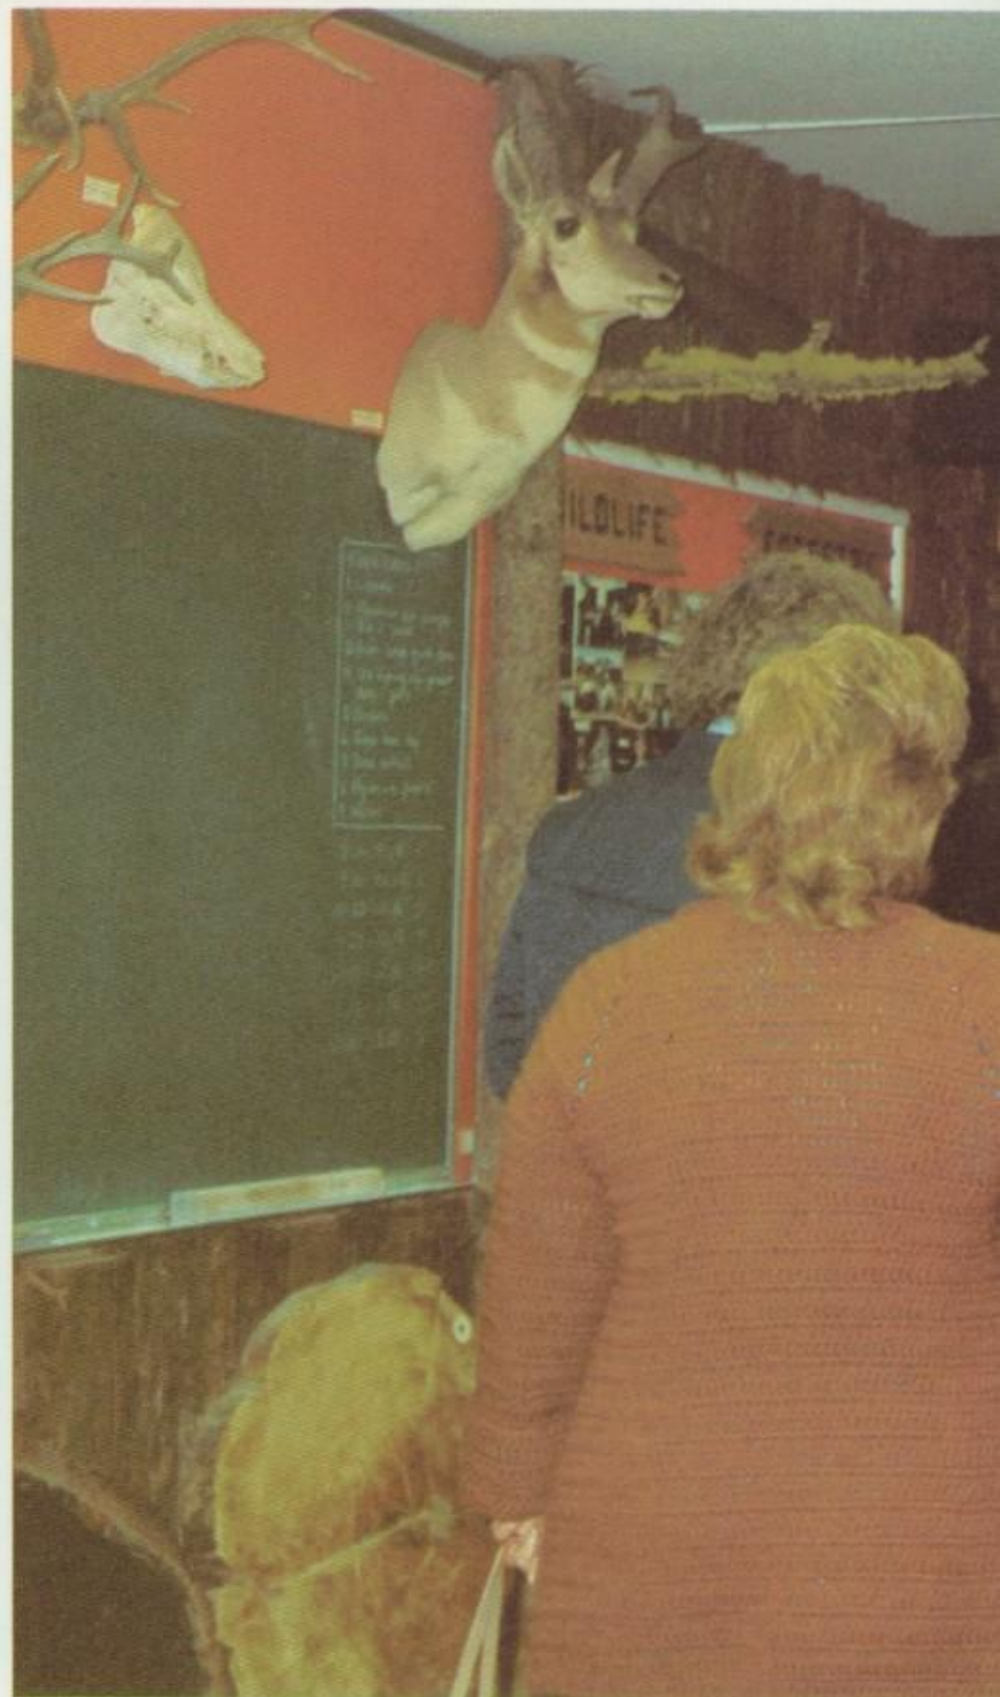

Lost parents often asked . . . "Where's The Gym?"

This year's Back-To-School Night was an educational and entertaining event. Parents had the chance to go to their son's or daughter's classes and find out exactly what it is like being a student at Casa Grande. AND . . . the true ambience of Casa student life came through when it rained on the parents.

After the standing-room-only orientation in the Multi-Use room, parents eagerly attended

the classes, getting to know the faculty that is responsible for the education offered here.

The rain didn't dampen any spirits though, as the night went smoothly and the parents were able to see how their sons and daughters are given an opportunity to make themselves BETTER!

Where to now? Mrs. Beckler appears to be lost as she looks for directions to her next class.

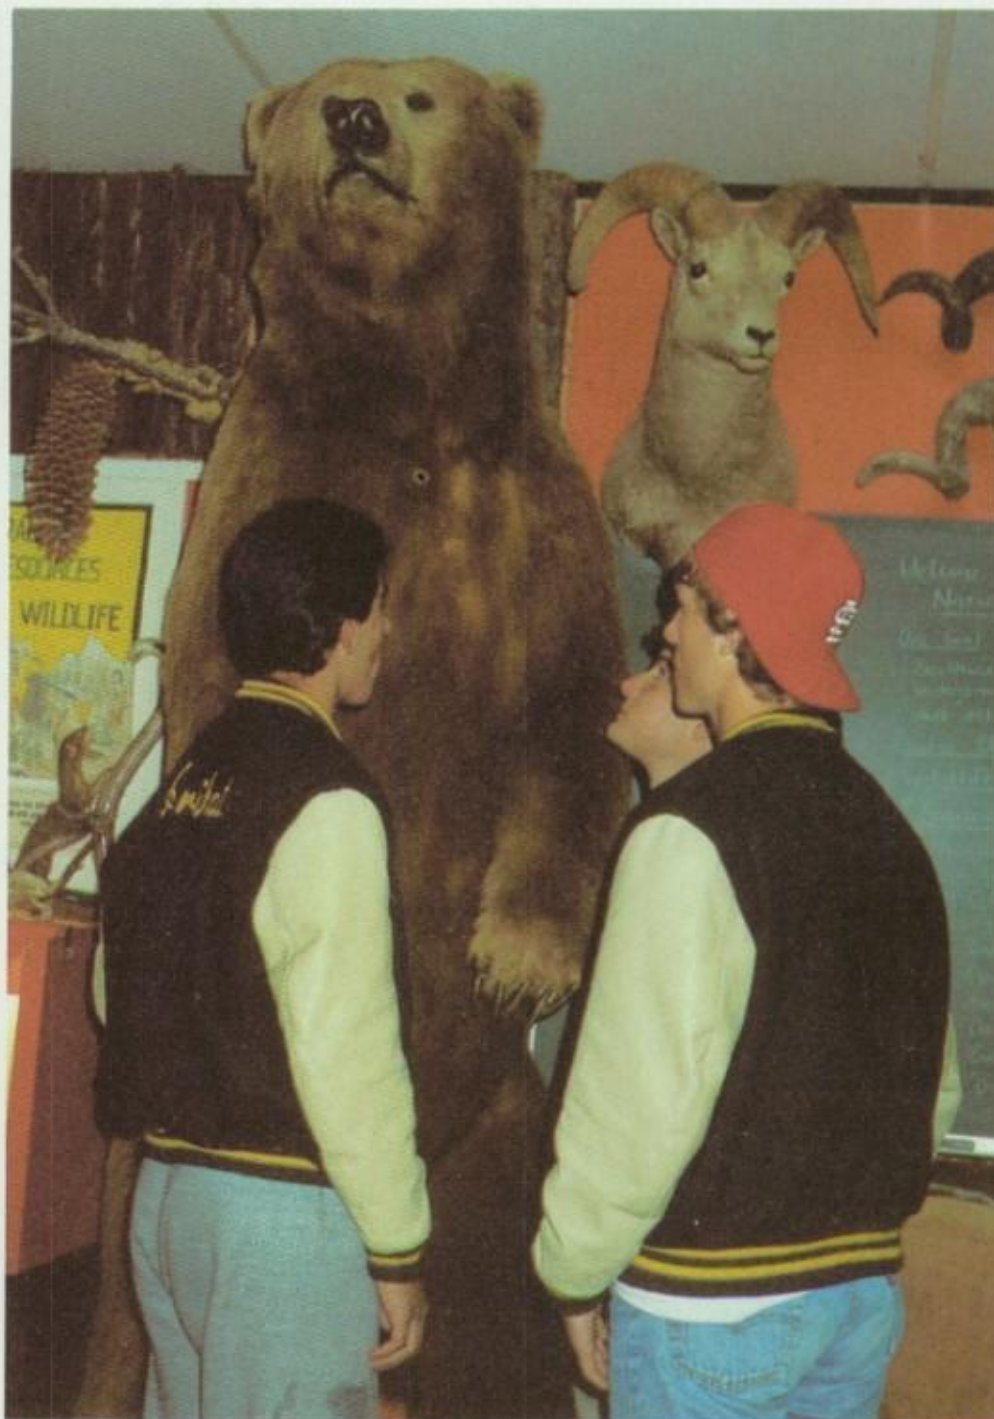

Poddy Pass Please. Mr. Casarotti leaves due to unknown reasons during Mr. Iacopi's speech

Grin and Bear it. Varsity Lettermen Amin Arikat, Mike Enochs, and Jay Keeley meet their match.

Hablan ustedes Español? Ms. Stanberry introduces parents to Spanish culture.

Thank God It's . . .

FRIDAY!

Students at Casa Grande work hard all week and look forward to the weekend. After five full days of tedious homework and tests the weekend provides an escape from daily pressures and allows students to relax and get away from it all.

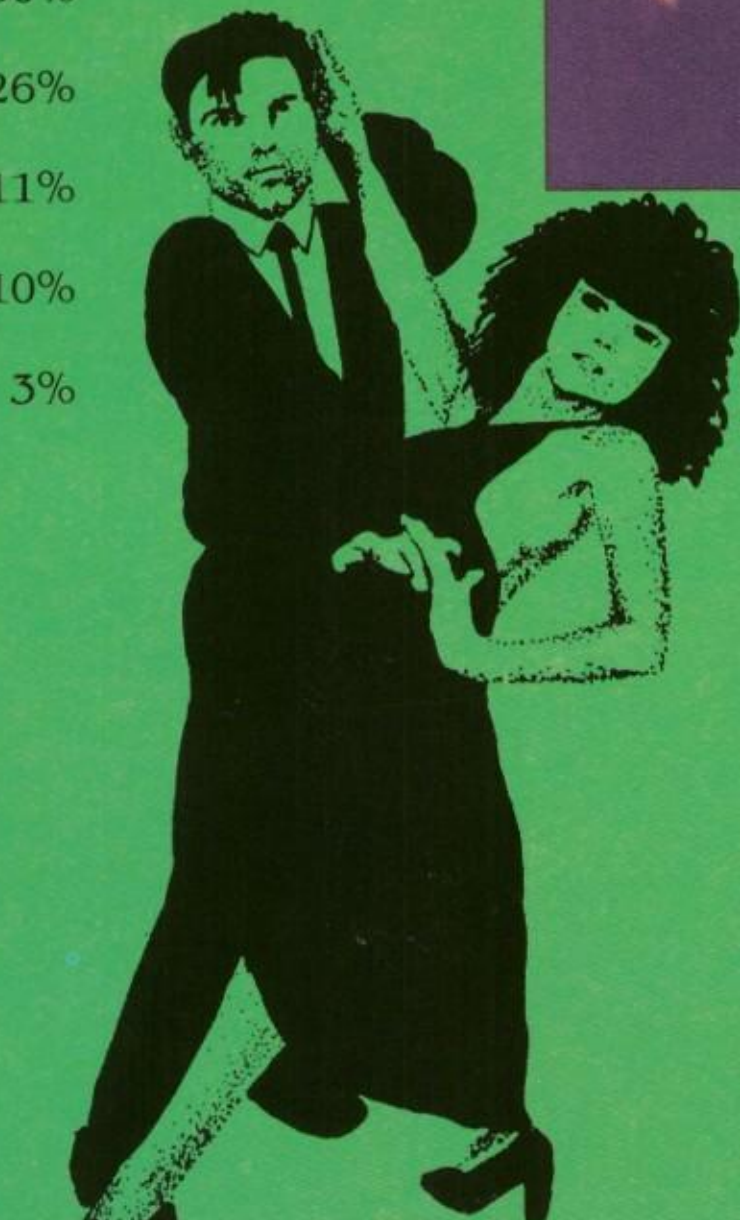

When asked what she does over the weekend, Senior, Ivette Hernandez, replied, "I usually spend my time with my best friends." Junior, Jeanine Sechott, says, "I

like going to the movies with my boyfriend." Dana Strickland, Sophomore, comments, "I enjoy going to The Heartbreak." Freshman, Tanya Nightengale, likes to go to football games before going to the dance and on Saturday, goes shopping.

No matter what the activity, the weekends always seemed to fly by with Monday morning right around the corner.

ARTWORK BY CHRIS FINLEY

Hey!...What? A confused Gina Bellovich has second thoughts about being sold in the Sr. Auction.

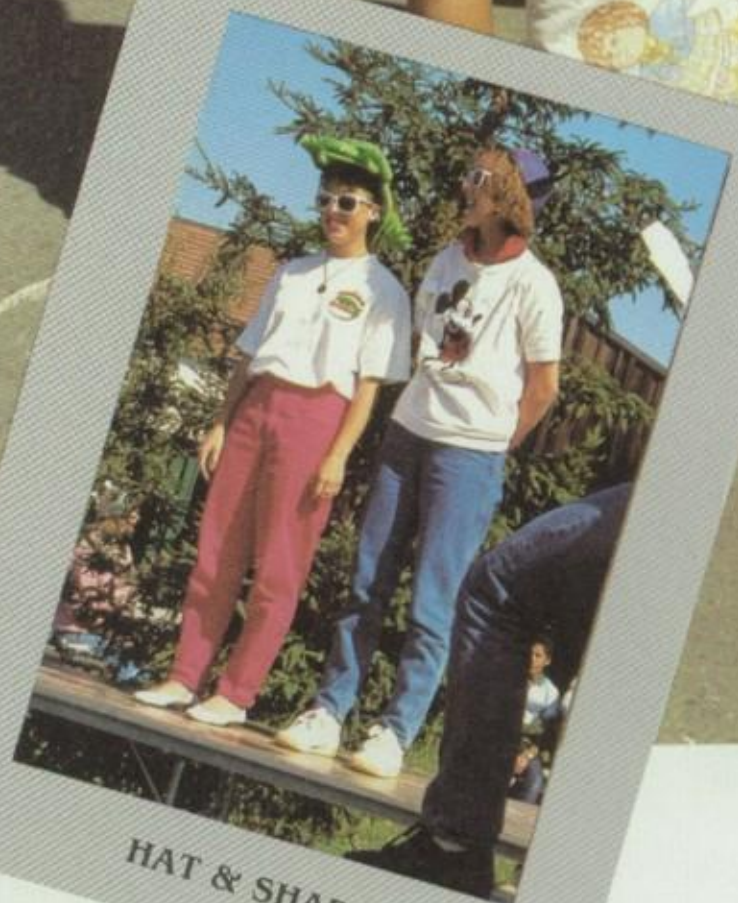

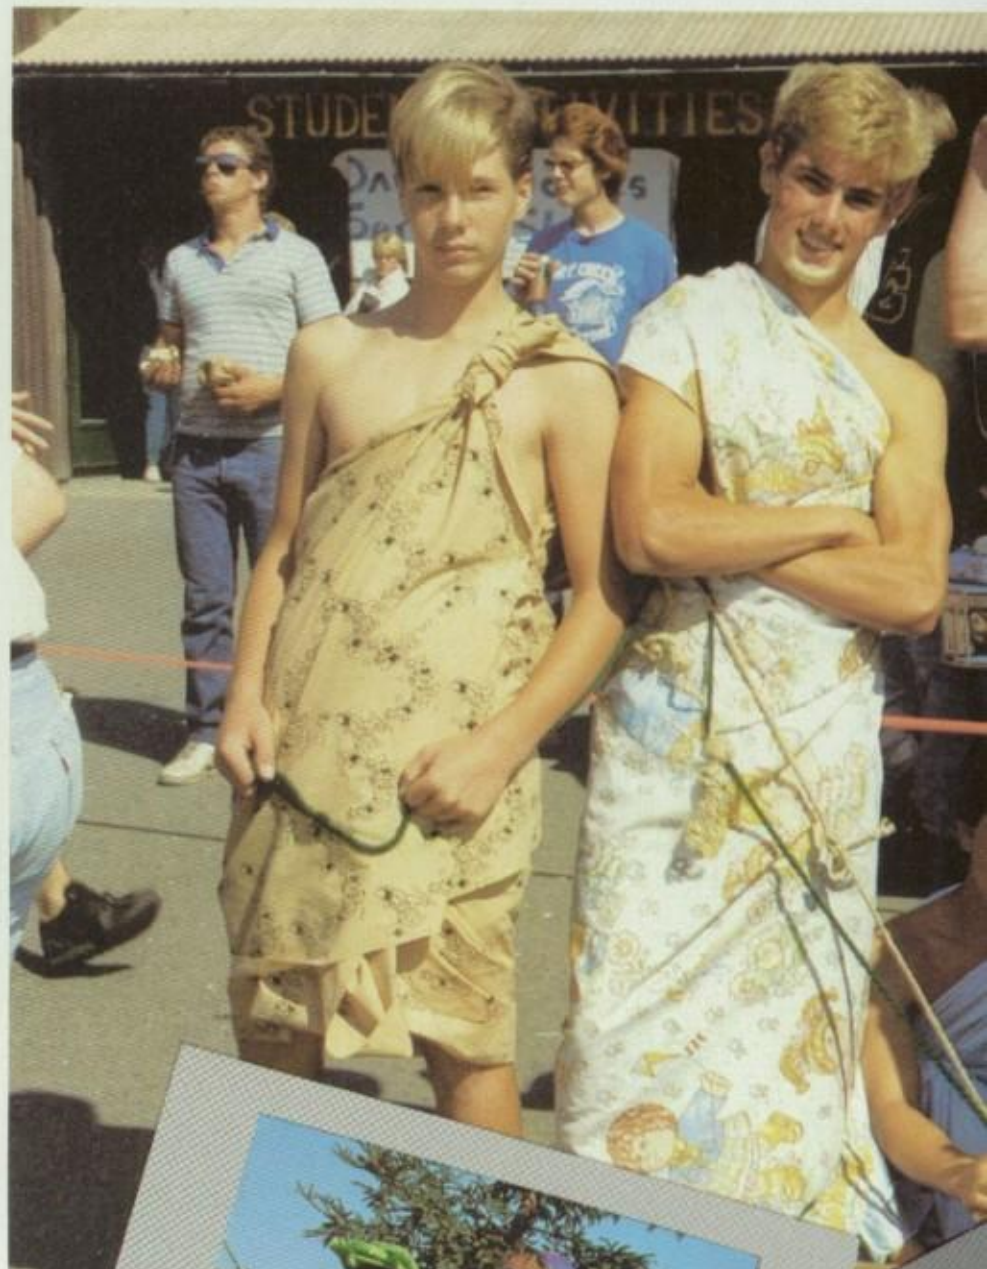

Chuck-in-the-box. Sophmores reveal their originality by wearing Bambi, Cabbage Patch and Star Wars sheets.

Die Hard Gauchos Show Their Stuff

Spirit Week started off great. The weather was gorgeous and the overall spirit shown by everyone was tremendous. The first day of Spirit Week was Hat and Shades Day. Everyone showed up wearing their favorite hat and shades. On Hawaiian Day the traditional Senior Servant Auction was

held. The perfect chance for the Freshmen to pay back the mighty seniors for all the teasing and ridiculing, they got the first few weeks of school. On Toga Day, in spite of the cold morning the die-hard Gauchos showed up in their skimpy togas wearing anything from silk sheets to Snoopy sheets.

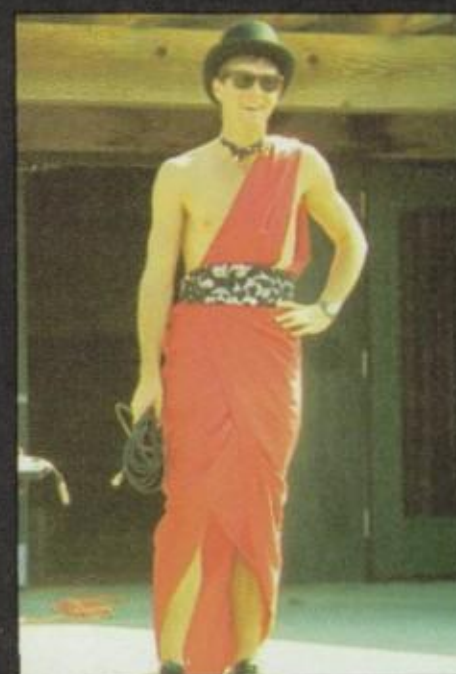

HAT & SHADES

Hanging loose. Spirited Hawaiians relax in the sun after a rough morning of classes.

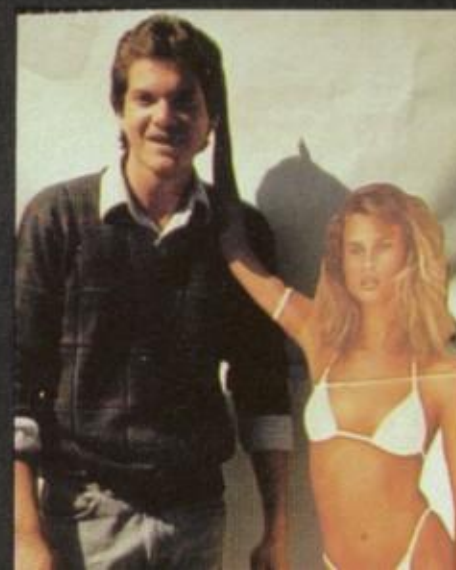

"Say cheese." Seniors Mark Daniels, Jill Severson, Sean Merkel, and Sharleen O'Brien create a masterpiece of art.

TOGA

It's Tarzan! Paul Fletcher and Kent Tribble have just returned from the jungle. Be careful - they're known to be dangerous.

"Do it or else!" Paul Gard takes advantage of his slave, Kristen Hovde sven, and makes her finish his home work.

Believe it or not? LaWanda Hunter prepares for Accident day.

"Ouch!" Is this real or is it Casa Grande spirit?

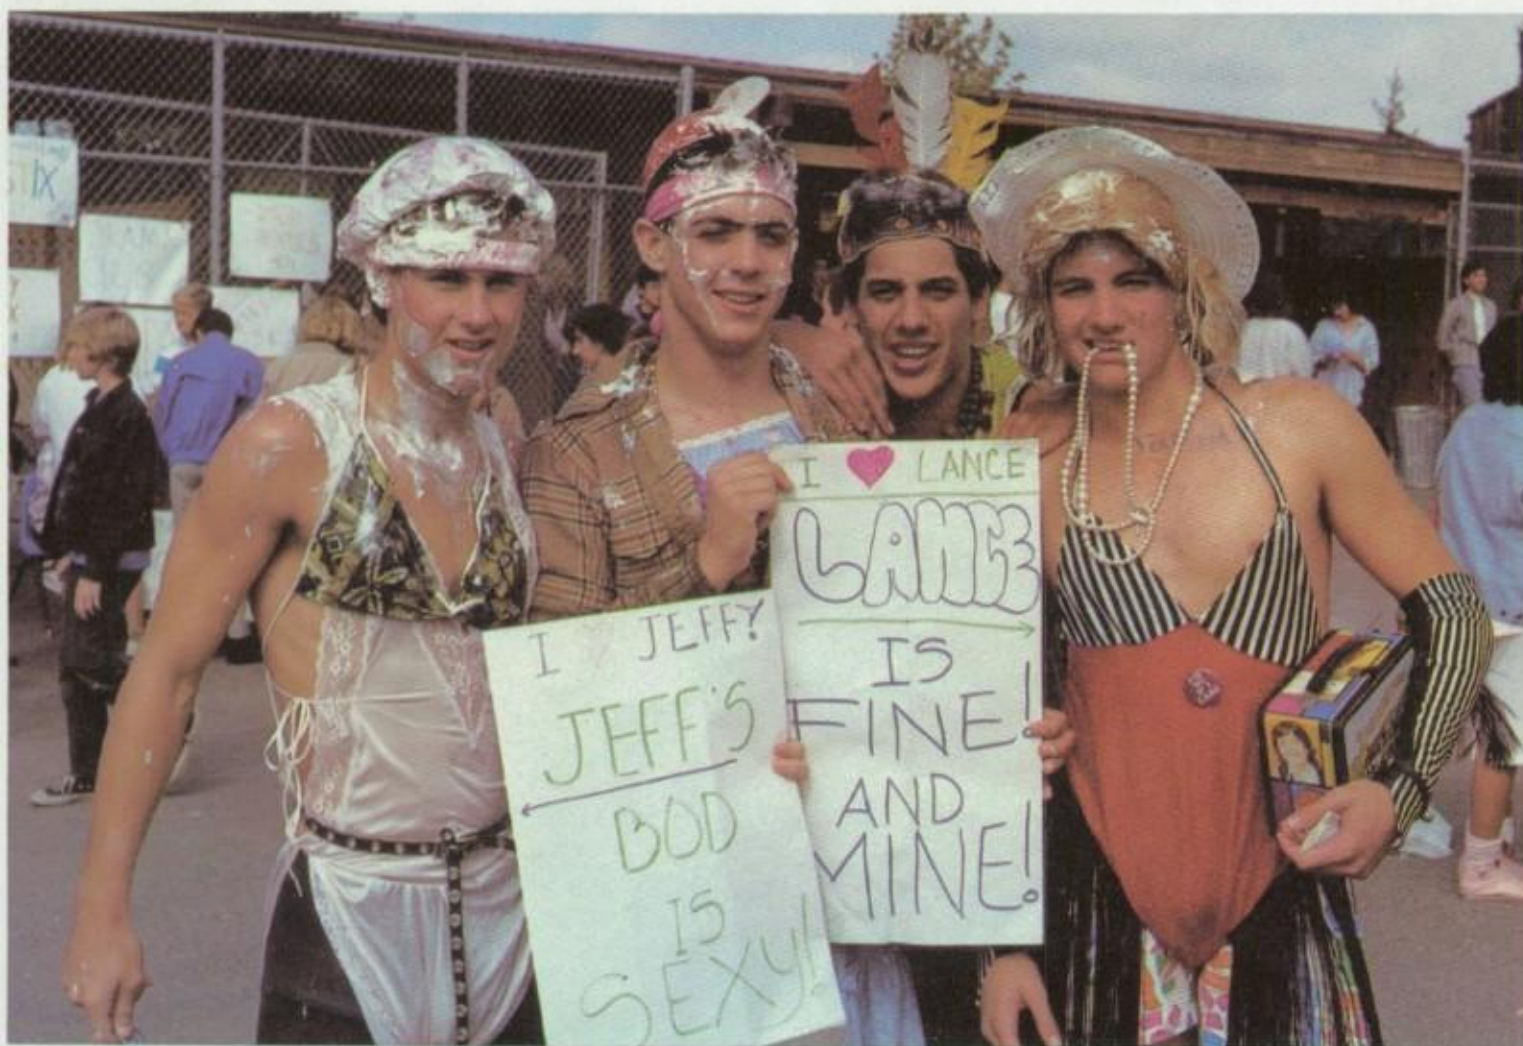

We Have Spirit... Yes We Do!

Safari day brought the lions and tigers out of us all, including those senior servants who were put to the test and trauma of EMBARRASSMENT and FUN.

Friday was Accident day. It was difficult to tell what was real and what wasn't.

Spirit Week was a great success with enthusiasm shown by all.

Oh baby! Sexy senior servants show some style!

Beauty at it's BEST

Being a homecoming candidate isn't all just fun and glamour. Lots of hard work and planning goes into being prepared for that special day.

The first thing at the top of every candidates list is finding a date and then buying a formal dress, as well as ordering flowers.

All the planning starts coming together at 6 am when the candidate must get dressed and head over to the place where formal shots are taken.

As soon as the final pictures are finished, the girls have to get organized into their chosen cars for the parade. There is no time for lunch as the hot sun follows them all the way to the football field.

When finally all the candidates are on the platform waiting to hear the name of the winner the excitement has built up to the extreme.

The whole day is great and it is special for each and every candidate as the dance finishes off a perfect Saturday.

Happy trails. Homecoming candidates enjoy a sunny Saturday ride in the parade.

Oh what a beautiful day! Mrs. Cranfill watches as all of her hard work comes together.

It's a Small World... The Drama Club takes a trip to Disneyland after winning 1st place.

And the winner is ... The Senior class swim past the competition. This year is the third time the class of '87 has won 1st place.

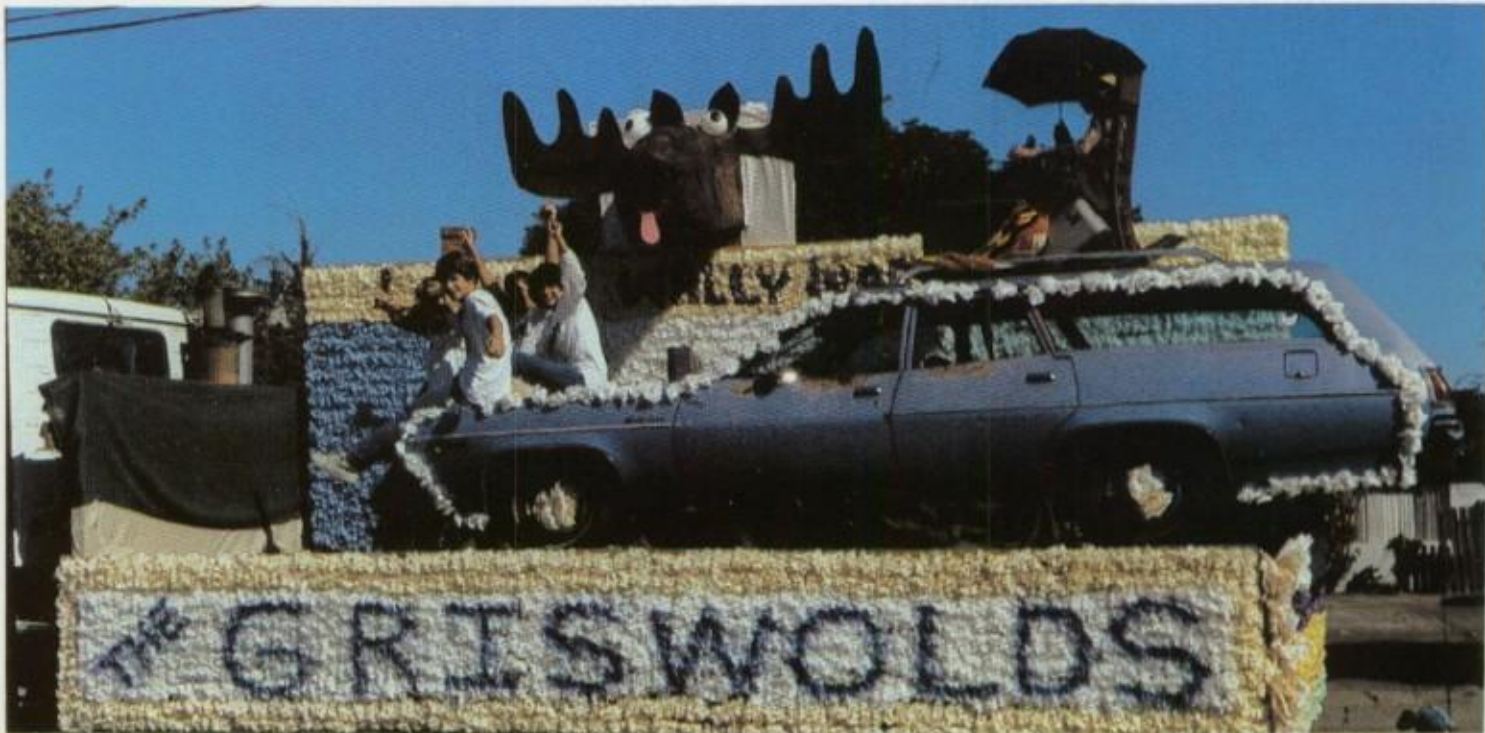

Life's A Beach Juniors go on a Spring Break--these Beach-Goers had a good time!

Homecoming '86 was a ... Royal Success

Congratulations to Lisa Cercos, who was crowned the 1986 HOMECOMING QUEEN. When being interviewed, Lisa said, "In my eyes, every candidate was a Queen; all the girls looked so beautiful-everyone had a chance. It was an honor to have represented Block C.G." Lisa was crowned at the halftime festivities during the BIG Varsity game. Lisa was a true ROYAL representative for the day, and the crowd was enthusiastic, the weather was spectacular, and the team won.

Are We There Yet? Win or lose, the S.A.D.D. Club gets their point across. Gaucho World? The Sophomores made it to Wally World, floating all the way.

Ho! Ho! Ho! The Freshmen go walking aimlessly through their Winter Wonderland.

Casa's Gauchos led us to **VICTORY!**

The '86 Homecoming was very important, not only did it serve as the 4th Homecoming victory in Casa's proud history but it gave the team a 1-0 start in the SCL league.

The Gauchos held the lead going in at halftime.

During the second half they kept the Analy Tigers fighting to gain the lead.

Team captains, Tony Amaral and Mark Hale, kept team spirit alive, making sure the players performed their best ever.

"Ready...begin." Scott Hayes leads the band to play in perfect harmony.

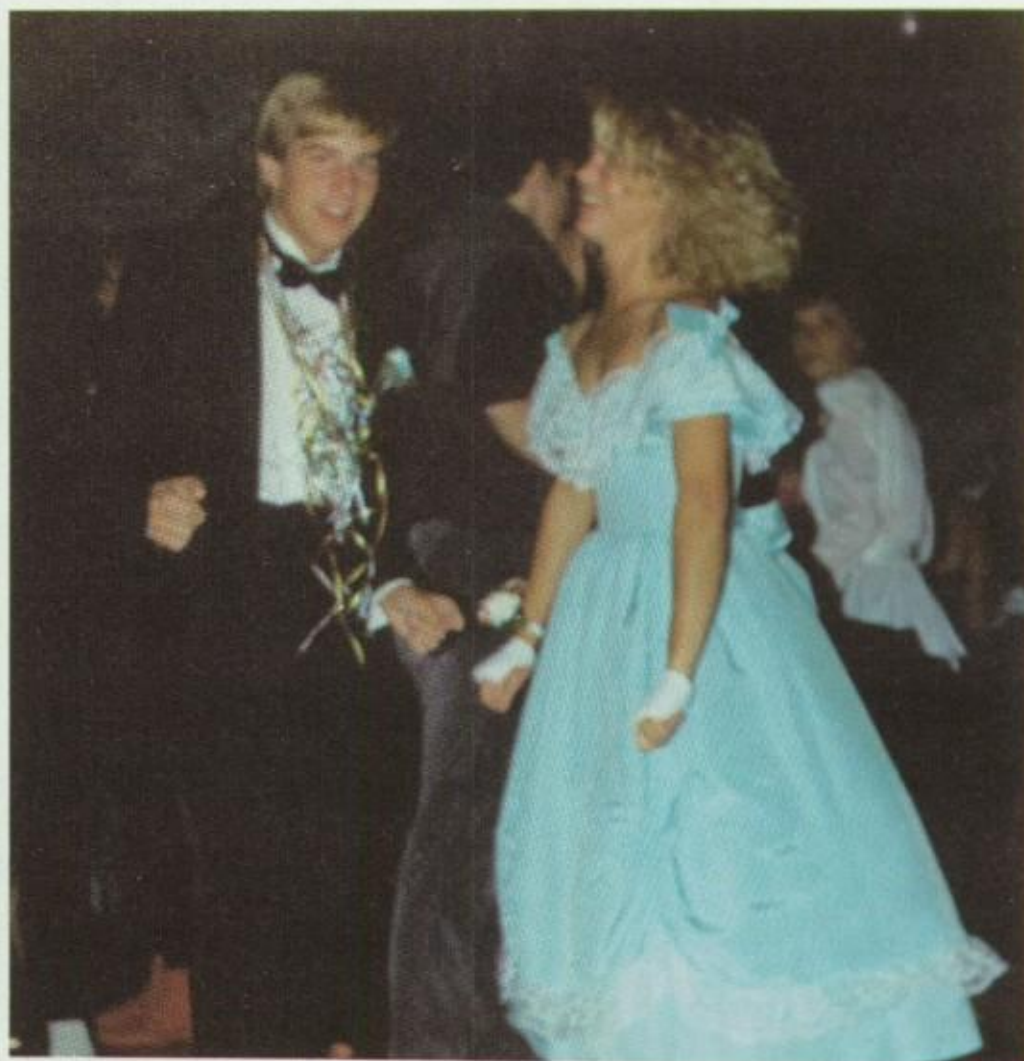

With excitement in the air . . .

We Danced.

In past years the Homecoming Dance has always started an hour after the football game has begun. Because of last years inconvenience to the student body and the players, the student council decided to have the game early in the day and the dance at 8:30 that night.

This gave everyone a chance to get ready and attend the dance on time.

The annual Homecoming Dance of 1986 was known to be one of the best ever! Dancing, great music, and fun will keep this memory alive in our hearts for many years to come.

Boogie to the beat. Scott Vanderlinden and Libby O'Black dance the night away.

On the edge of heaven. A happy couple enjoy the evening and reflect on the afternoon's events.

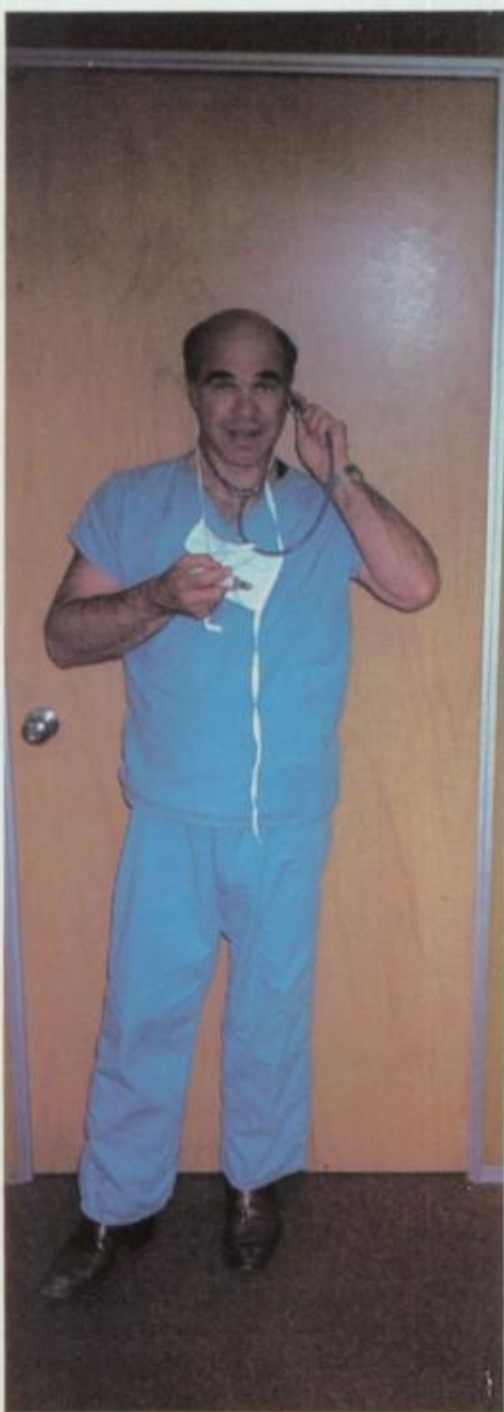

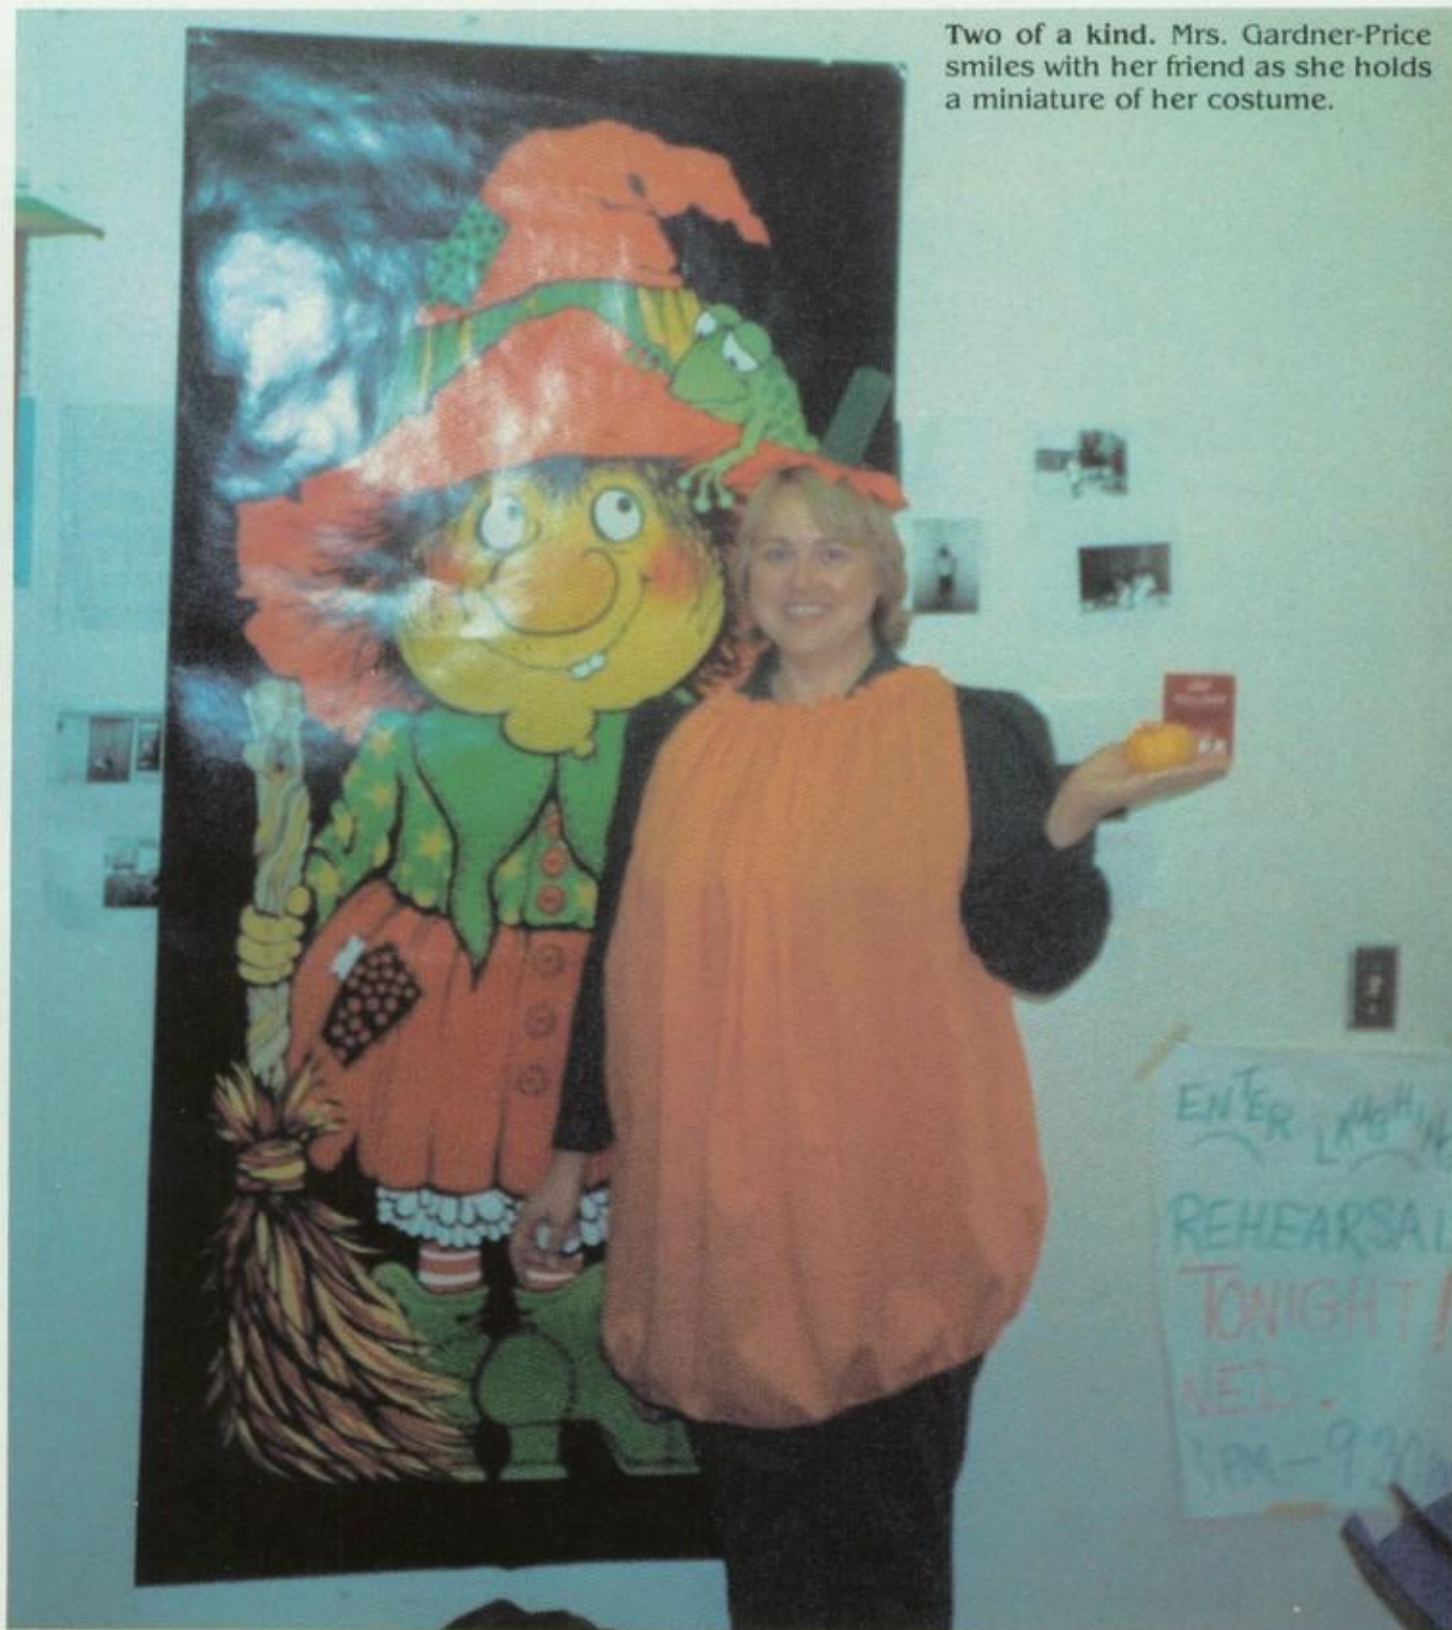

Head over heels. Lovebirds engage in a very close, private conversation.

Old fashioned bowling. Mrs. Weir reflects on her younger days as a bowling success.

Two of a kind. Mrs. Gardner-Price smiles with her friend as she holds a miniature of her costume.

Nope, nothing up here. Mr. Schmitka gives us a taste of his dream career, but he still needs to learn where the stethoscope goes!

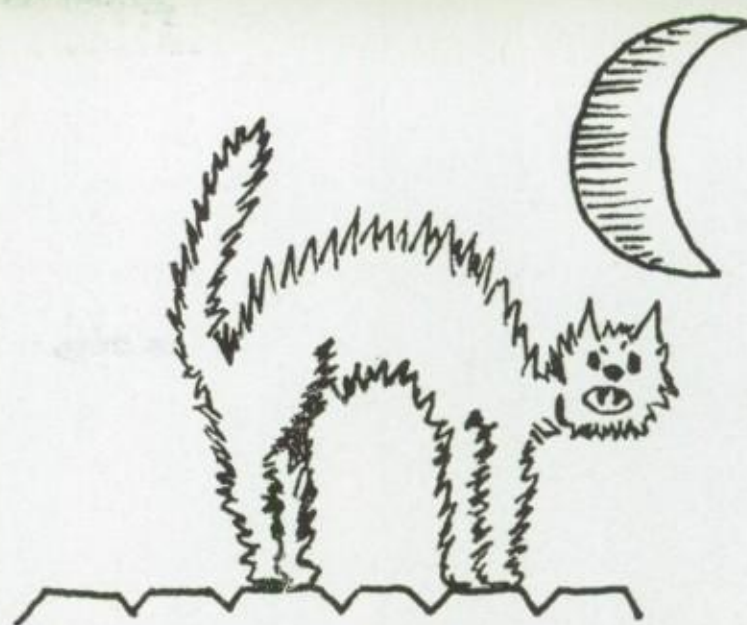

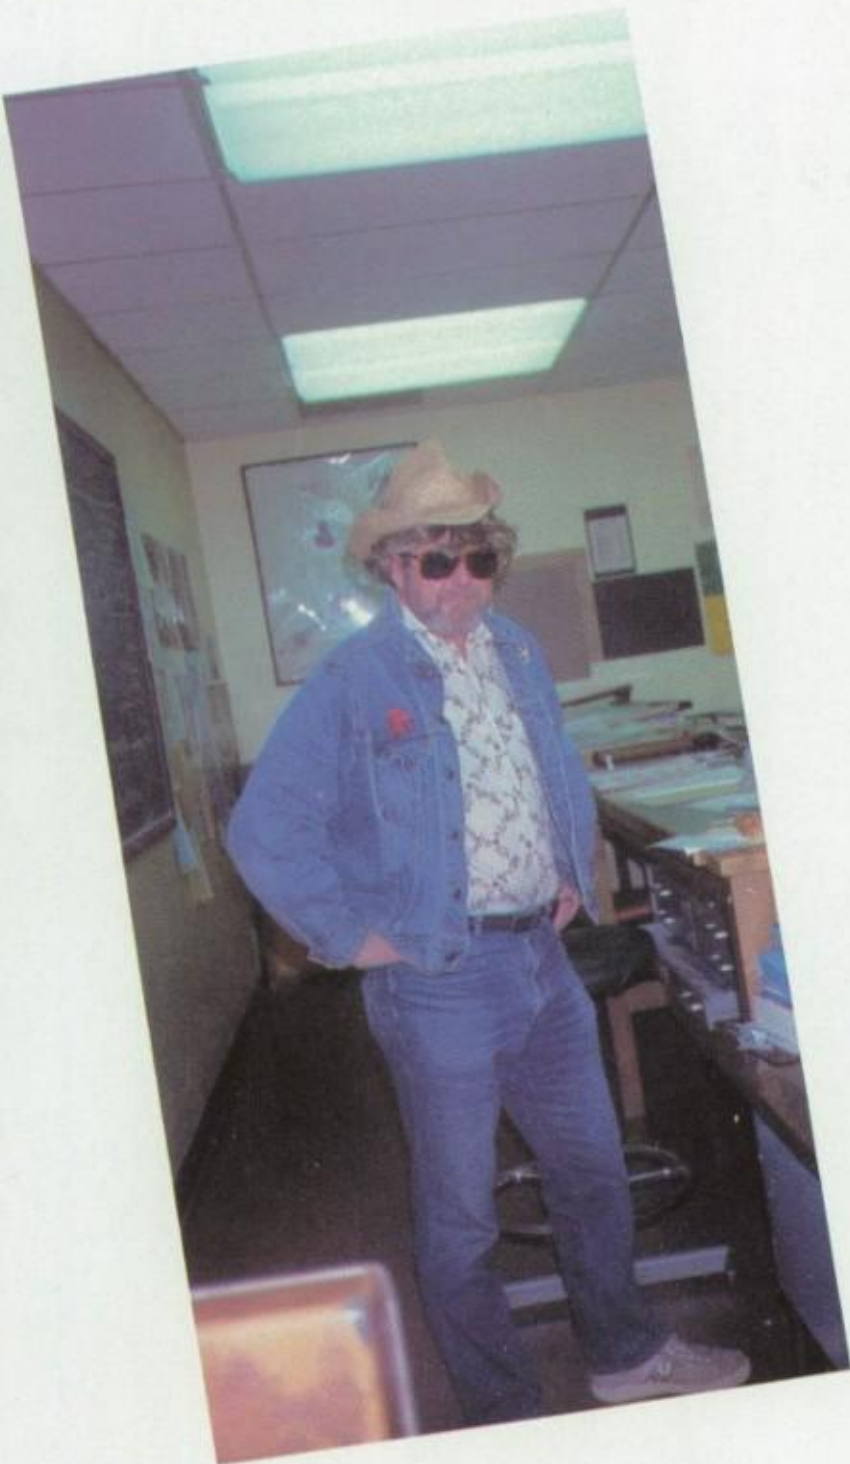

"Which way did he go?" Mr. deFord shows up for the big day but can't decide which way to go.

"No sun glasses in class please." Mr. Potts puts on his wierd tie and hard hat to face his classes this Halloween.

"I wanna be a cowboy." Mr. Harford gives us his outlook on fashion.

Teachers had it too . . .

Halloween Spirit

This year's Halloween fun wasn't just limited to students. There was an added element which made the day even more festive. Teachers decided to set an example for students by dressing up in their own creative Halloween costumes. Their attire ranged from evil witches to pumpkins as they had their own fun showing students that they had

spirit too!

Halloween is the time of year when you can be anything you want to be, and the teachers definitely displayed that they could have a different look from what their students were accustomed to.

Thank you for your participation and energy, it was very much appreciated.

Which is witch? Mrs. Byerly puts forth her dark side.

Again? Mrs. Weir shows us her other side. Pretty neat, huh?

MAKING THE BEST OF ... BEING THE BEST!

This year was one of many fabulous memories, in fact, it was the best year ever! Our football team was the best it's ever been, not to mention our student body which showed much interest, enthusiasm and school participation. The greatest idea for spirit was created by the student cabinet - the Spirit Patrol.

Our school is improving

each and every day in many ways. Our academics are excelling, our faculty is spirited and supportive of student activities, our sports' teams are the best, the student body itself has grown closer, the students, faculty, and parents show much more interest in school events and everything from sports to dances have gone sky high in attendance.

We've got...

Dedication

ASB Officers have been incredibly busy keeping up with all of the activities they have planned this year. Some of their well-known activities include the Spirit Patrol, creative rallies, Spirit Week and Powder Puff Football. These people have gone beyond the limit to make Casa Grande the best it's ever been.

Committed to excellence. ASB Officers-Kelley Bullock, Scott Tavenner, Lisa Cercos, Jim McPherson and Lisa Pera.

MAKING THE BEST OF... PRACTICE

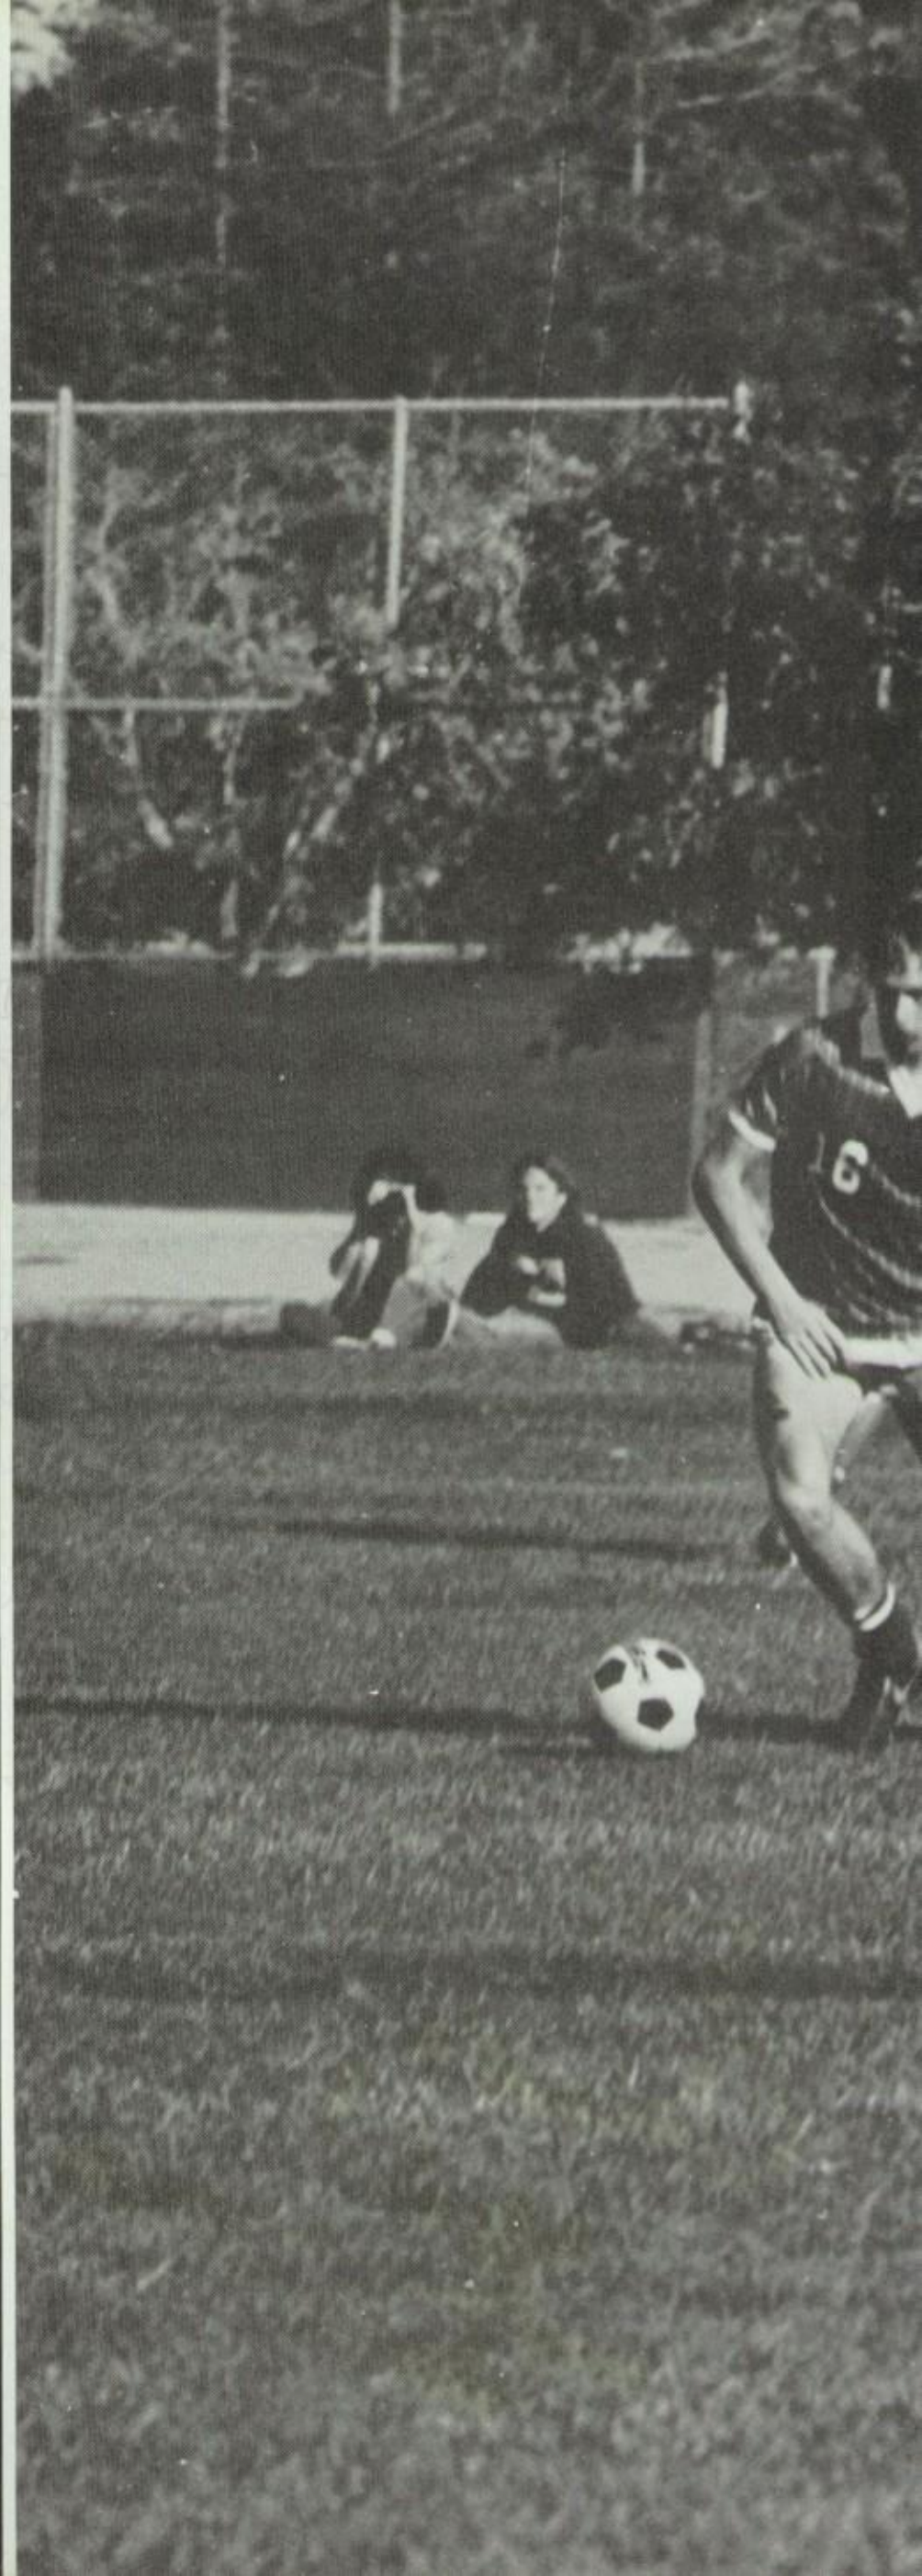

Practice makes perfect... or so the saying goes. And practice, practice, practice is what our athletes do! Giving up a social life for a few hours of vigorous practice after school is just the beginning.

To be an athlete at Casa Grande it takes a little more than showing up at game time. It takes patience, dedication, and teamwork to pull

through a season.

Practice makes the week drag on and seems so tedious, but when the game day arrives, a feeling of accomplishment is felt by all - win or lose.

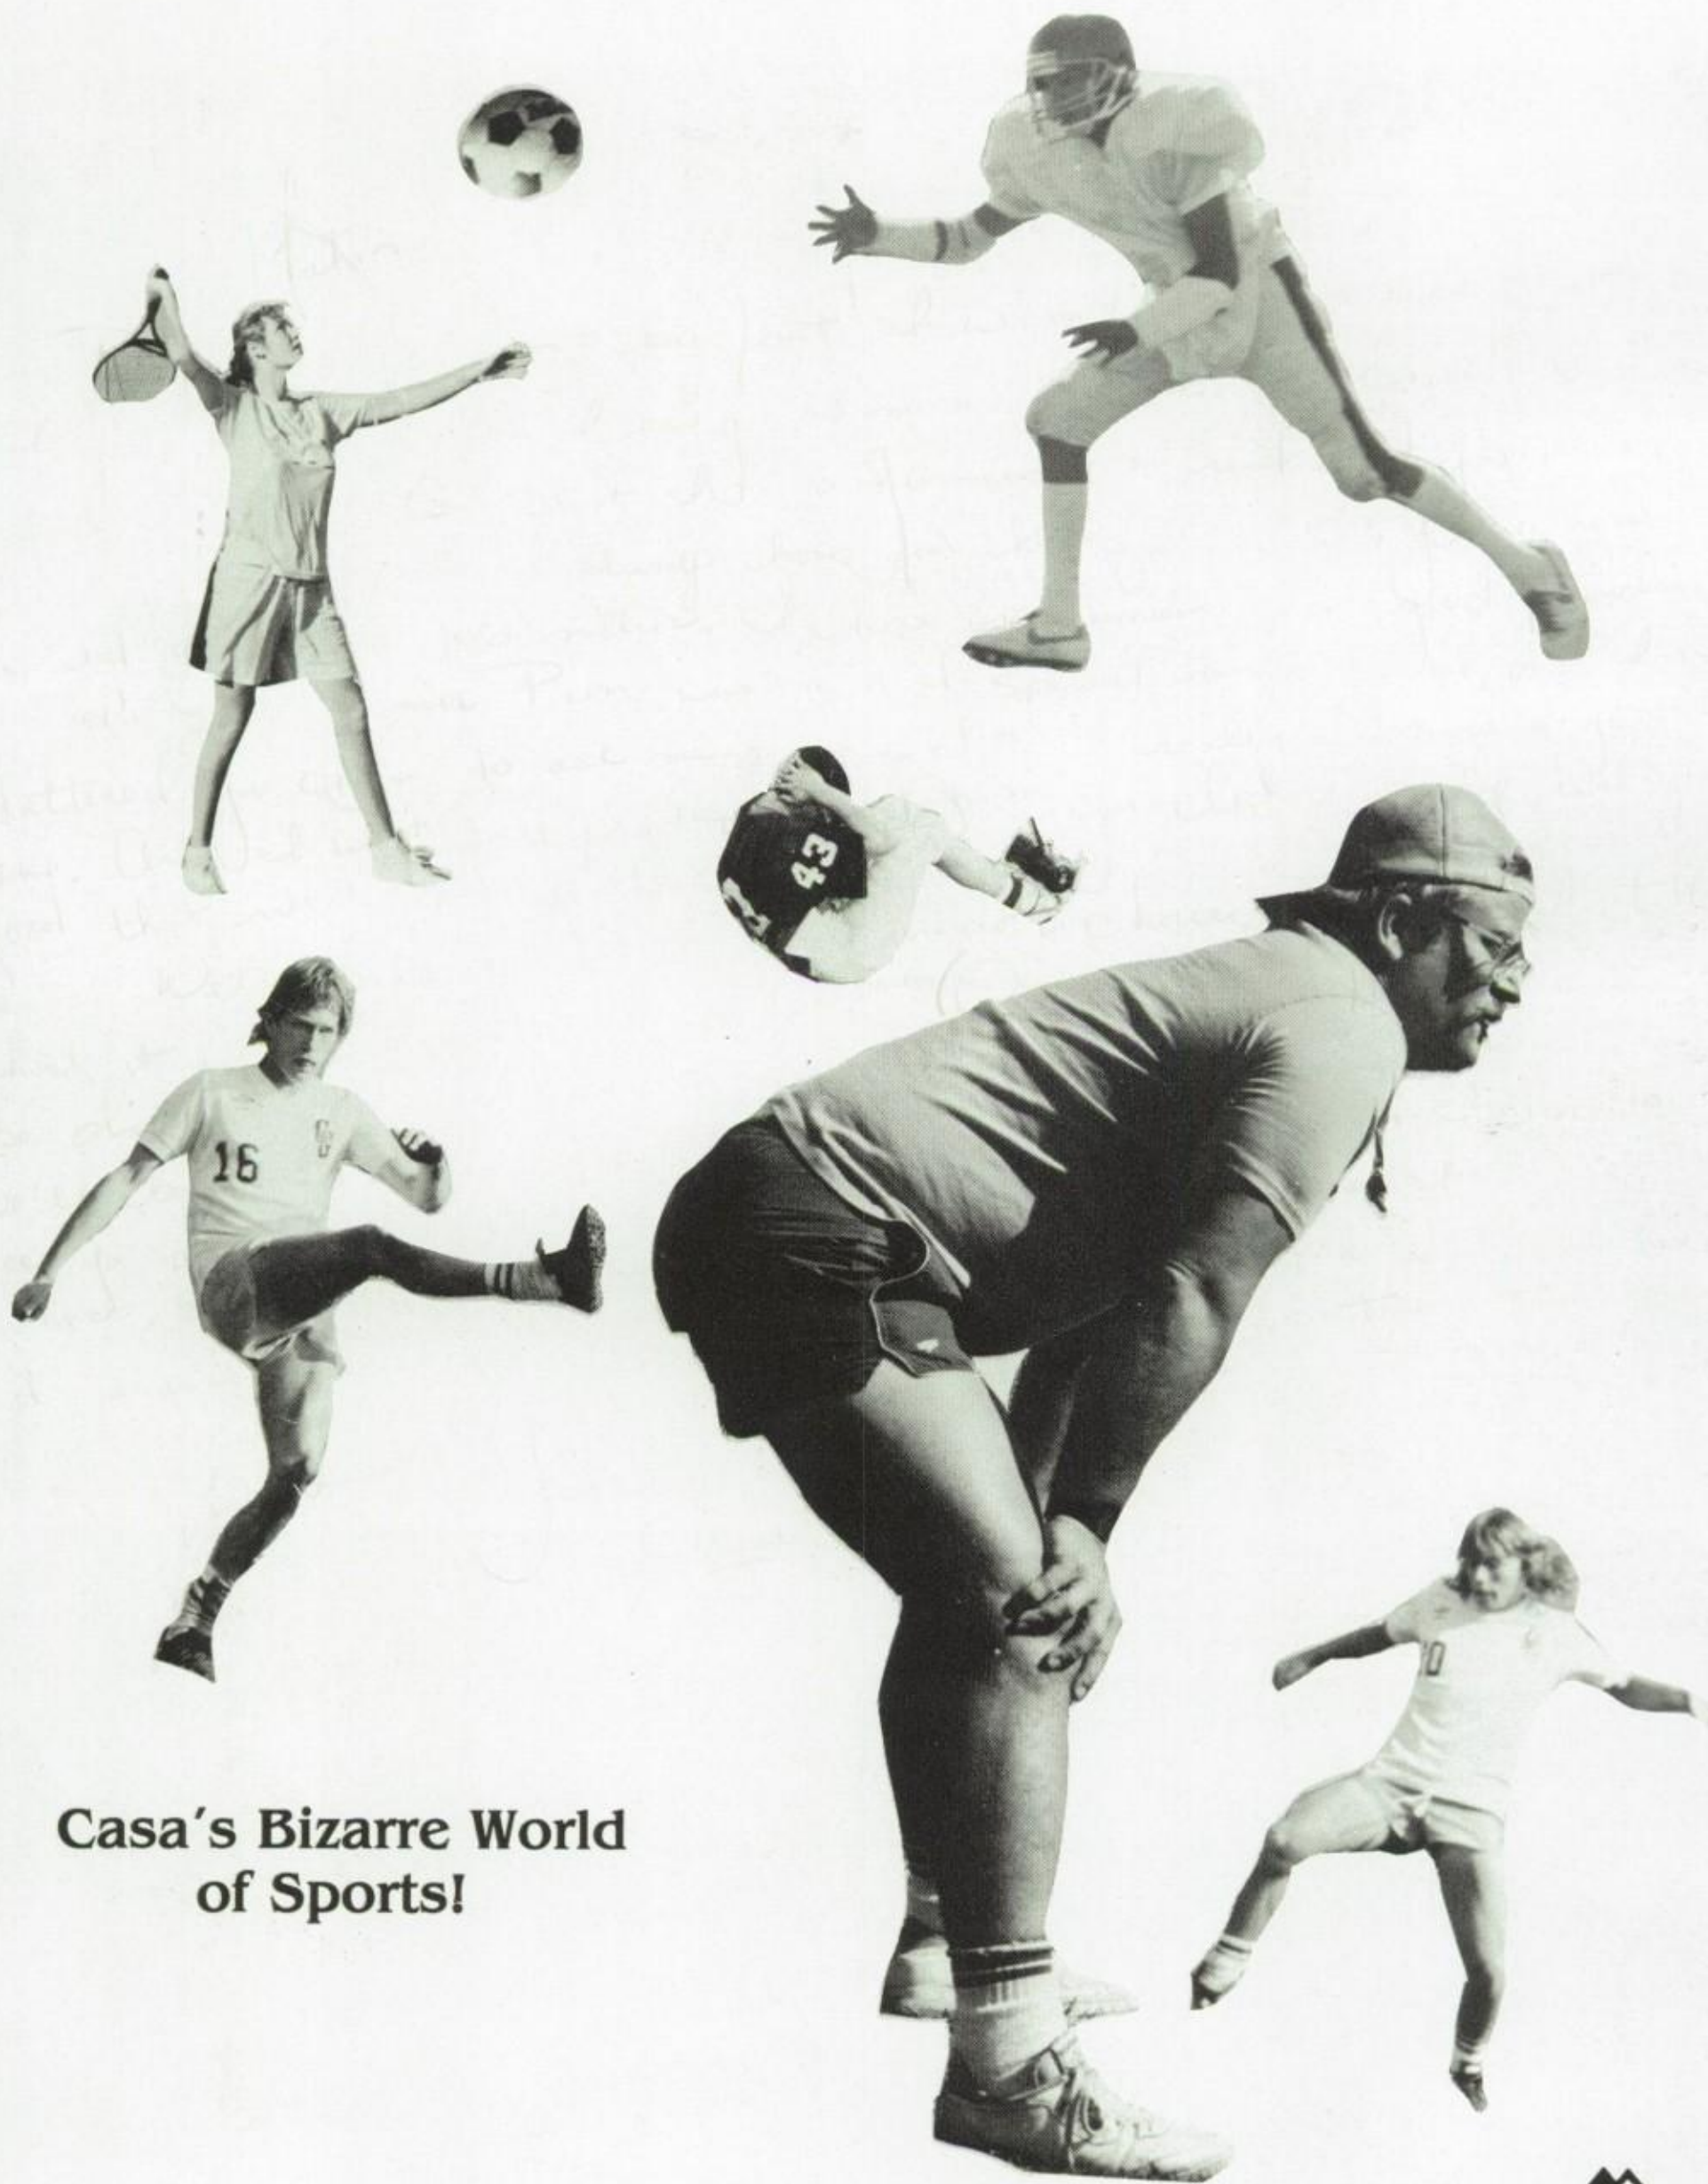

Our gauchos go through it all. From sweating, to tired aching muscles they never seem to give up. Our Gauchos are the best athletes around.

All The Right Moves

1986 was a year of ups and downs for the Varsity Football Team. They made an astounding turnaround, but fell short of capturing the league title to the SCL Champion, Sonoma.

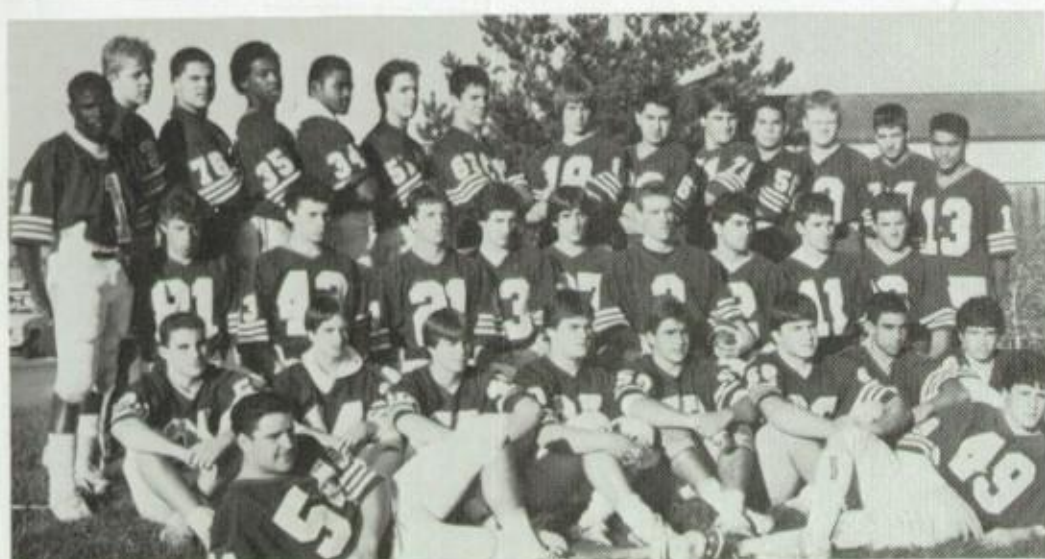

Coach Poterake felt that "after getting off to a slow start, the team pulled together. Even though we came up short, had anyone said we had a chance to play in the championship game earlier this year, I would have thought they were crazy!"

There were many moments that the 1986 team

will never forget: James Porter's 4th quarter game clinching interception vs. Petaluma; John Sikora and Mark Hale making bone-crunching tackles at the line of scrimmage; Jeff Mantoani and Shawn Aiwohi blasting open holes and many more.

Running Back, Dejuan Miggins, commented, "I thought the team would go all the way. Everyone was confident and had a better attitude going into the '86 season. We played together well and never gave up."

The 1986 Varsity Team left its mark on the S.C.L., placing second overall.

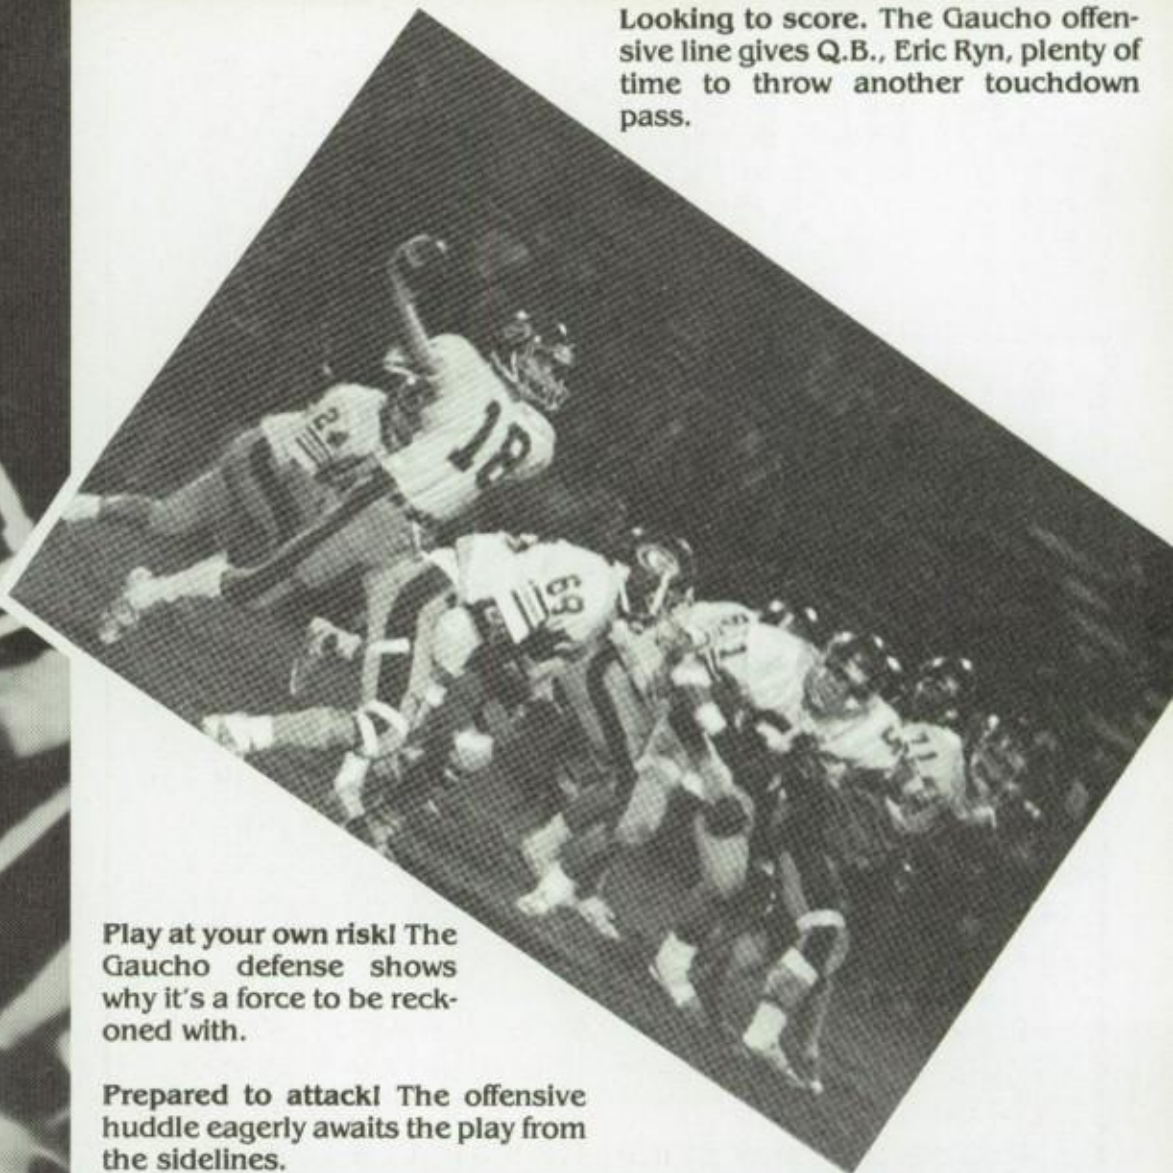

Varsity Football Team. Dejuan Miggins, Sven Dincklage, Dave Armstrong, James Porter, Jerry Rollins, Jeff Mantoani, Shawn Aiwohi, Eric Ryn, Dan Prieto, Tony Amaral, Tony Bush, Mike Pickrell, Mark Hale, Tom Johnston, Mike Foresti, Mark Yates, Todd Thompson, Paul Fletcher, Will Holdenreid, Mike Enochs, Greg Rezentes, John Sikora, Sean Berry, Steve Ramos, Lou Siville, Bob Stoneburner, Jason Cook, Aaron Hakeem, John Conely, Amin Arikat, Brian Fiene, Kevin Montoya, and Darrin McCabe.

Great pass protection by Jerry Rollins and Dejuan Miggins, while Eric Ryn lets one fly.

After the fact. Gaucho defense makes its presence felt by huddling over the down Marin Catholic players.

Looking to score. The Gaucho offensive line gives Q.B., Eric Ryn, plenty of time to throw another touchdown pass.

Play at your own risk! The Gaucho defense shows why it's a force to be reckoned with.

Prepared to attack! The offensive huddle eagerly awaits the play from the sidelines.

1st team All-League Running Back. Dejuan Miggins runs for another touchdown and makes it look real easy.

There's No Stopping Us Now!

This year's J.V. Football team accomplished something that no other J.V. Football team has done in quite a long time, and that is go 4 and 1 in league, and 8 and 2 overall.

This is an outstanding feat, considering that J.V. Football at Casa has been

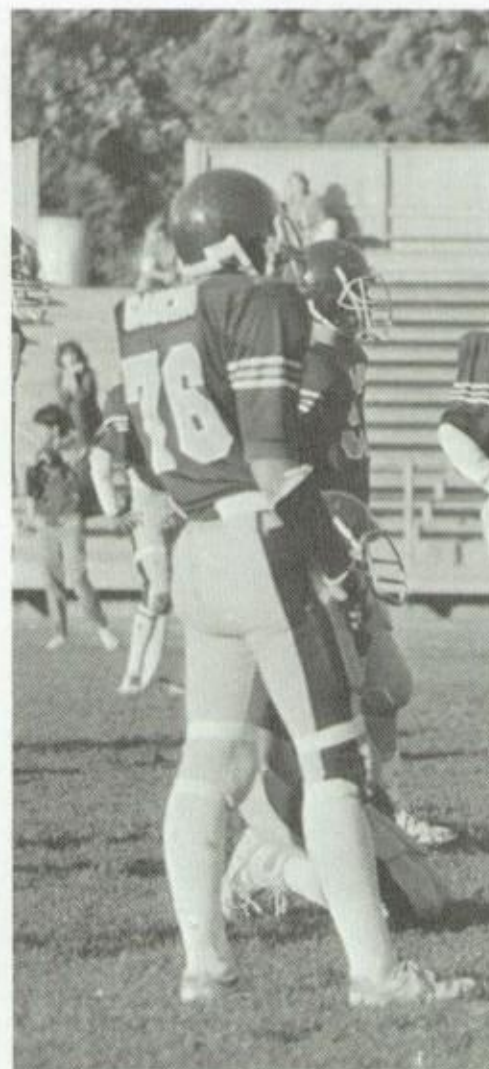

less than successful in the past.

Don Peterson at Quarterback and Kent Tribble at Offensive and Defensive line really made the difference. Many of this year's outstanding players will become the top players of the '87 Varsity Football Team.

Come on guys, hurry it up. The Gaucho defense waits patiently for the opposing offense.

Sorry son, it's broken Bo Cercos contemplates his season-ending injury.

Recovered by the defense! Kent Tribble and the referee signal a recovered fumble. This season, the refs agreed with our calls more often than usual.

Down for the count. Cardinal Newman realizes that Casa is no pushover. The J.V. team had another victory over this always-tough team.

The class of '90 had made it apparent that they will provide the necessary strength and power for the varsity team of the future. Being the young team that they were, their skills wer-

en't as developed as they will become in future years. The overall record wasn't too hot but they gained some invaluable experience which will pay off later.

Making the Best of . . . Fun-raisers

Everyone has to give a little when it comes to being a member of a club. In order for a club to participate in fun extra-curricular activities money must be made. This includes selling candy or greeting cards which means at least a month of carrying around a big heavy box full of delicious surprises in hopes that someone will

take the bait. These fund-raisers are important for the clubs and provide the means necessary to buy new sports equipment or to go to a cultural event, which, in turn, leads to fun for everyone! Making the best of fund-raisers is a rewarding job.

The A.R.C. club has been going strong for three years now. Lou Sivilie is the Grand Poobah and their purpose is to provide an alternate means of raising school spirit.

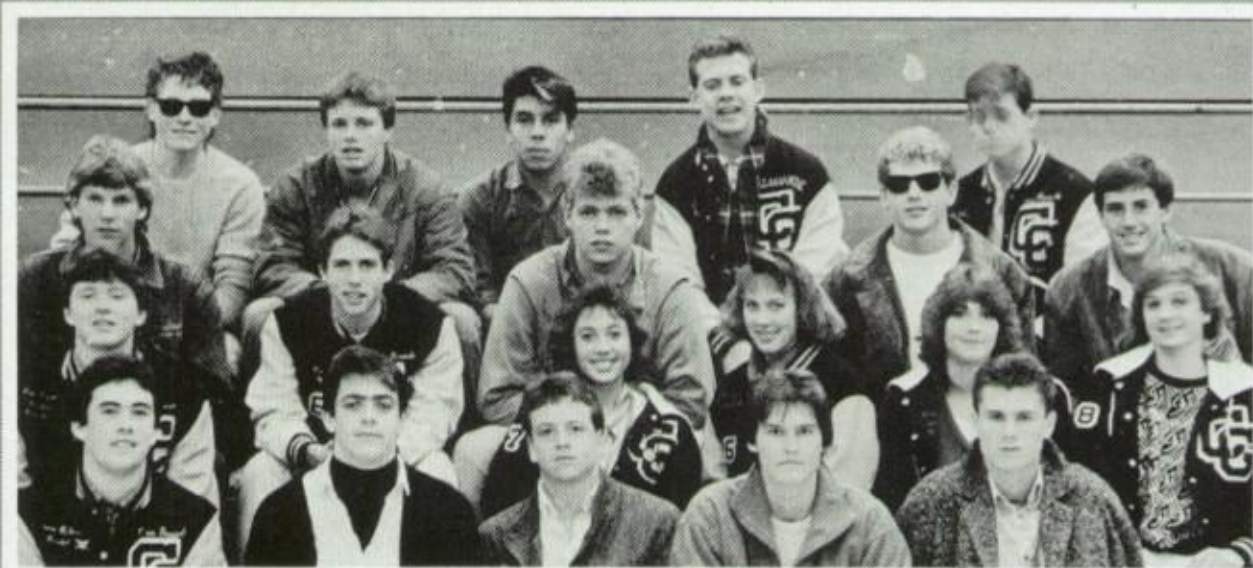

This year the club members were enthusiastic about their meetings and activities. The most important event that A.R.C. did was run by Seniors Scott Tavener and Jim McPherson. They created the Spirit Patrol which increased school spirit at sports events with tailgate parties, caravans and lots of cheering.

Block C.G.

Block C.G. has been around Casa Grande as long as the school has been in existence. Their purpose is to raise funds for athletic awards.

In order to become a member of the club, one needs to earn their Varsity Letter. This gives fellow athletes an opportunity to get together and talk about the latest trends in the sports world.

One of the club's most exciting events this year was having their Homecoming candidate, Lisa Cercos, win the title.

She said her club was formed for the purpose of taking the fear out of public speaking as well as to gain poise and confidence for the business world.

When Mrs. Byerly described the club's enthusiasm she said, "You have to get them off the ceiling half the time."

The thing Mrs. Byerly is most proud of, and her class shows beyond a doubt, is the feeling of caring between the students.

Bio II

Bio II is probably one of the most exciting clubs on this campus. This club has been going on since the school opened. In reality though, it's really not a club. The members don't have meetings to attend, instead they go on trips.

The purpose of the Cagers is to stimulate the interest in basketball and basketball support. The Cagers are very active and they show a great deal of spirit.

Their main activity is to sponsor the annual alumni basketball game in the fall. All of the members play on one of Casa Grande's basketball teams which helps to continue the support of the team.

Math Masters

The Math Masters are a very enthusiastic and dedicated group. They've been going strong for two years now and the kids have lots of fun working together. The fall spirit week was much fun as the Math Masters brought out the pie booth.

The President was Paul D. Fletcher and he added fun and excitement to the club's spirit.

The students become more of a family than a club through their support and concern for one another.

Ski Club

The Casa Grande Ski Club is a group of about forty students who go on day trips to Sierra Ski Ranch and Kirkwood. This is the fifth year of the club, and they have had a lot of fun.

The purpose of the club is to bring the students together, have fun, expand the members knowledge of different cultures, get involved in spirit activities, exchange ideas, work with the French Club, help beautify the school and enhance student life.

C.S.F. is a good way for students to meet other students and is a very honorable organization to be involved in.

FOREIGN EXCHANGE

This year has been one of the most successful years for our Foreign Exchange program. We were privileged enough to have students from all over the world. They had a chance to come and see what our country was about and were glad that they chose Casa Grande to experience and visit. Casa wants to thank each and every one of you for sharing your culture and talent. We will remember you always.

GOLF

The Golf Club: Chris Sturla, Tim Molinari, Jason Guard, Ken Milano, Dave Lawler, Scott Vanderlinden. Coach: Gary Dutton.

The 1987 Casa Grande Golf team worked hard throughout the season. Although the team was, for the most part, young and inexperienced, the new players practiced hard to be the best they could. The team was coached by Gary Dutton and was led by Senior, Scott Vanderlinden. Sophomore, Dave Lawler and Junior, Mark Raymond also had strong performances. "Coach Dutton will be able to do a lot with the new talent of the team. With a lot of determination and a little effort, the team will do well in up and coming seasons," stated Scott Vanderlinden.

Snowed In - In D.C.

Close-up has been in progress since 1982. Mr. Avila is the club advisor. The students involved raised most of their money through various fundraisers, such as the Spaghetti Feed, which is always a huge success. They also held candy and jewelry sales. In January the close-up group went to Washington D.C. They attended workshops and seminars, learned more about our government and had an opportunity to speak with participants in Congress.

I wonder what they're doing in there? The shelter of our President shown in this picture of the White House.

United Anglers

Mr. Furrer is the advisor for United Anglers. This club has been organized at Casa Grande for two years. Its purpose is to take people from the city and expose them to the outdoors. Some of their adventures included going fishing at Feather River, visiting the Monterey Aquarium, the Boat Show in San Francisco, and numerous other outings. They also have done many fundraisers such as selling Christmas ornaments. The members of United Anglers are dedicated and proud of their achievements.

The purpose of the club is to get involved with the community. The most important event would be the one to one counseling of students. The students really seem to enjoy having someone to talk to.

Most participants have learned a lot about themselves and made many new friends along the way.

The Beat of a New Drum

Band first started in 1977 and is advised by Mr. Palacios. Their main purposes are to give students a chance to perform (an outlet for music) and to represent the school and city and make a good impression. Being in band is lots of hard work and takes lots of devotion and dedication. It also can be expensive so fundraisers are held throughout the year. Vari-

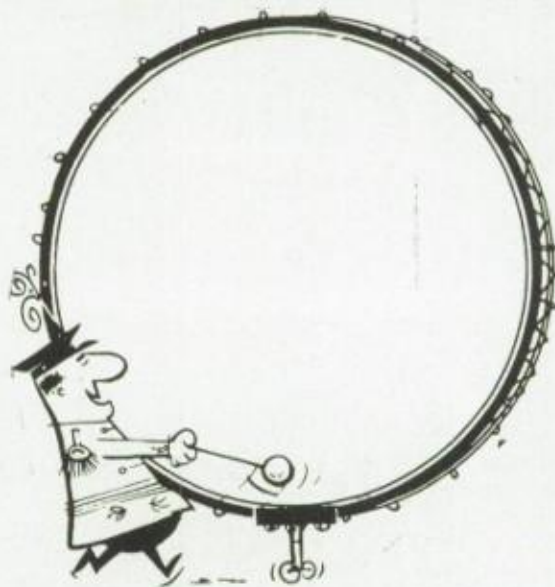

ous performances include performing in the S.E. Veterans Parade in which the entire group did very well in. The Sacramento Santa Clara parade, Winterguard competition, Butter and Egg Day Parade and numerous other performances. Band has about 90 members and is an all year around club and the biggest CG. We should be proud of our band.

Band members are: Rachael Lofton, Karen Skanderson, Denise Long, Jenny Chism, Anita Vella, Lori Divita, Regina Sahagun, Thuy Tran, Scott Hayes, Jennifer Howard, Karen Dodson, Kaye Corzine, Kerry Kaufman, Coleen Butler, Jennifer Miller, Shelley Townsend, Jean Edmondson, Neil Leupold, Zandra Zamora, Elias Husary, Sean Millard, Barbara McKay, Steve Patterson, Jim Rodriguez, Brian Petro, Momo Rich, Kathleen Comyns, Kathy McKay, Michelle Loftin, Gina Lauricella, Renee LaFleur, Dawn Ehman, Wendy Betts, Lauren McLaughlin, Geraldine Finton, Garrett Bechler, Greg Sherman, Mike Haire, Matt Nichols, Robert Peterson, David Townsend, Chris Murray, Jessie Neff, Debbie Attinger, Amy Sherman, Kristina Kaufman, Teddy O'Shea, Ann Hanson, Robert Green, Ann Marie Pardo, Charlie Marshall, Amy Waits, Theo Mainaris, Theresa Tennyson, Adam Alvarez, Amy Shipley, Paul Donnelly, Jeannie Marshall, Steve Everett, Debbie McGruder.

Rhythm of C.G. Casa Grande drummers keep the beat as they show their true talents in a parade through the streets of Petaluma.

Ready or not? Teddy O'Shea and fellow drummers wait for their cue. This is not an easy task. They must remain perfectly still while being able to hear every sound.

About face. The band shows professional-style showmanship as they approach the end of the parade.

Performing with confidence. Scott Hayes and the C.G. marching band, float through a prestigious performance with ease.

Casa Grande Drill Team members: Helen Mainaris, Rachael Lofton, Karen Skanderson, Denise Long, Rhonda Chaney, Heather Allen, Jennifer Chism, Anita Vella, Lorynn Divita, Becky Mann, and Thuy Tran.

What was the next step? Drill team members practice for their next stiff competition. They put in many long, hard hours of practice to make their performances the best ever.

"About face!" The Casa Grande Drill team strut their stuff. During a parade they must keep with the beat and smile all times. Lookin' good C.G., lookin' real good!

Flag them down girls. Not only must they march to the beat and smile, but they also have to concentrate on their flag twirling.

I can't see! The Flag team exhibits pride in their town. They must carry the flags during parades to represent PETALUMAI

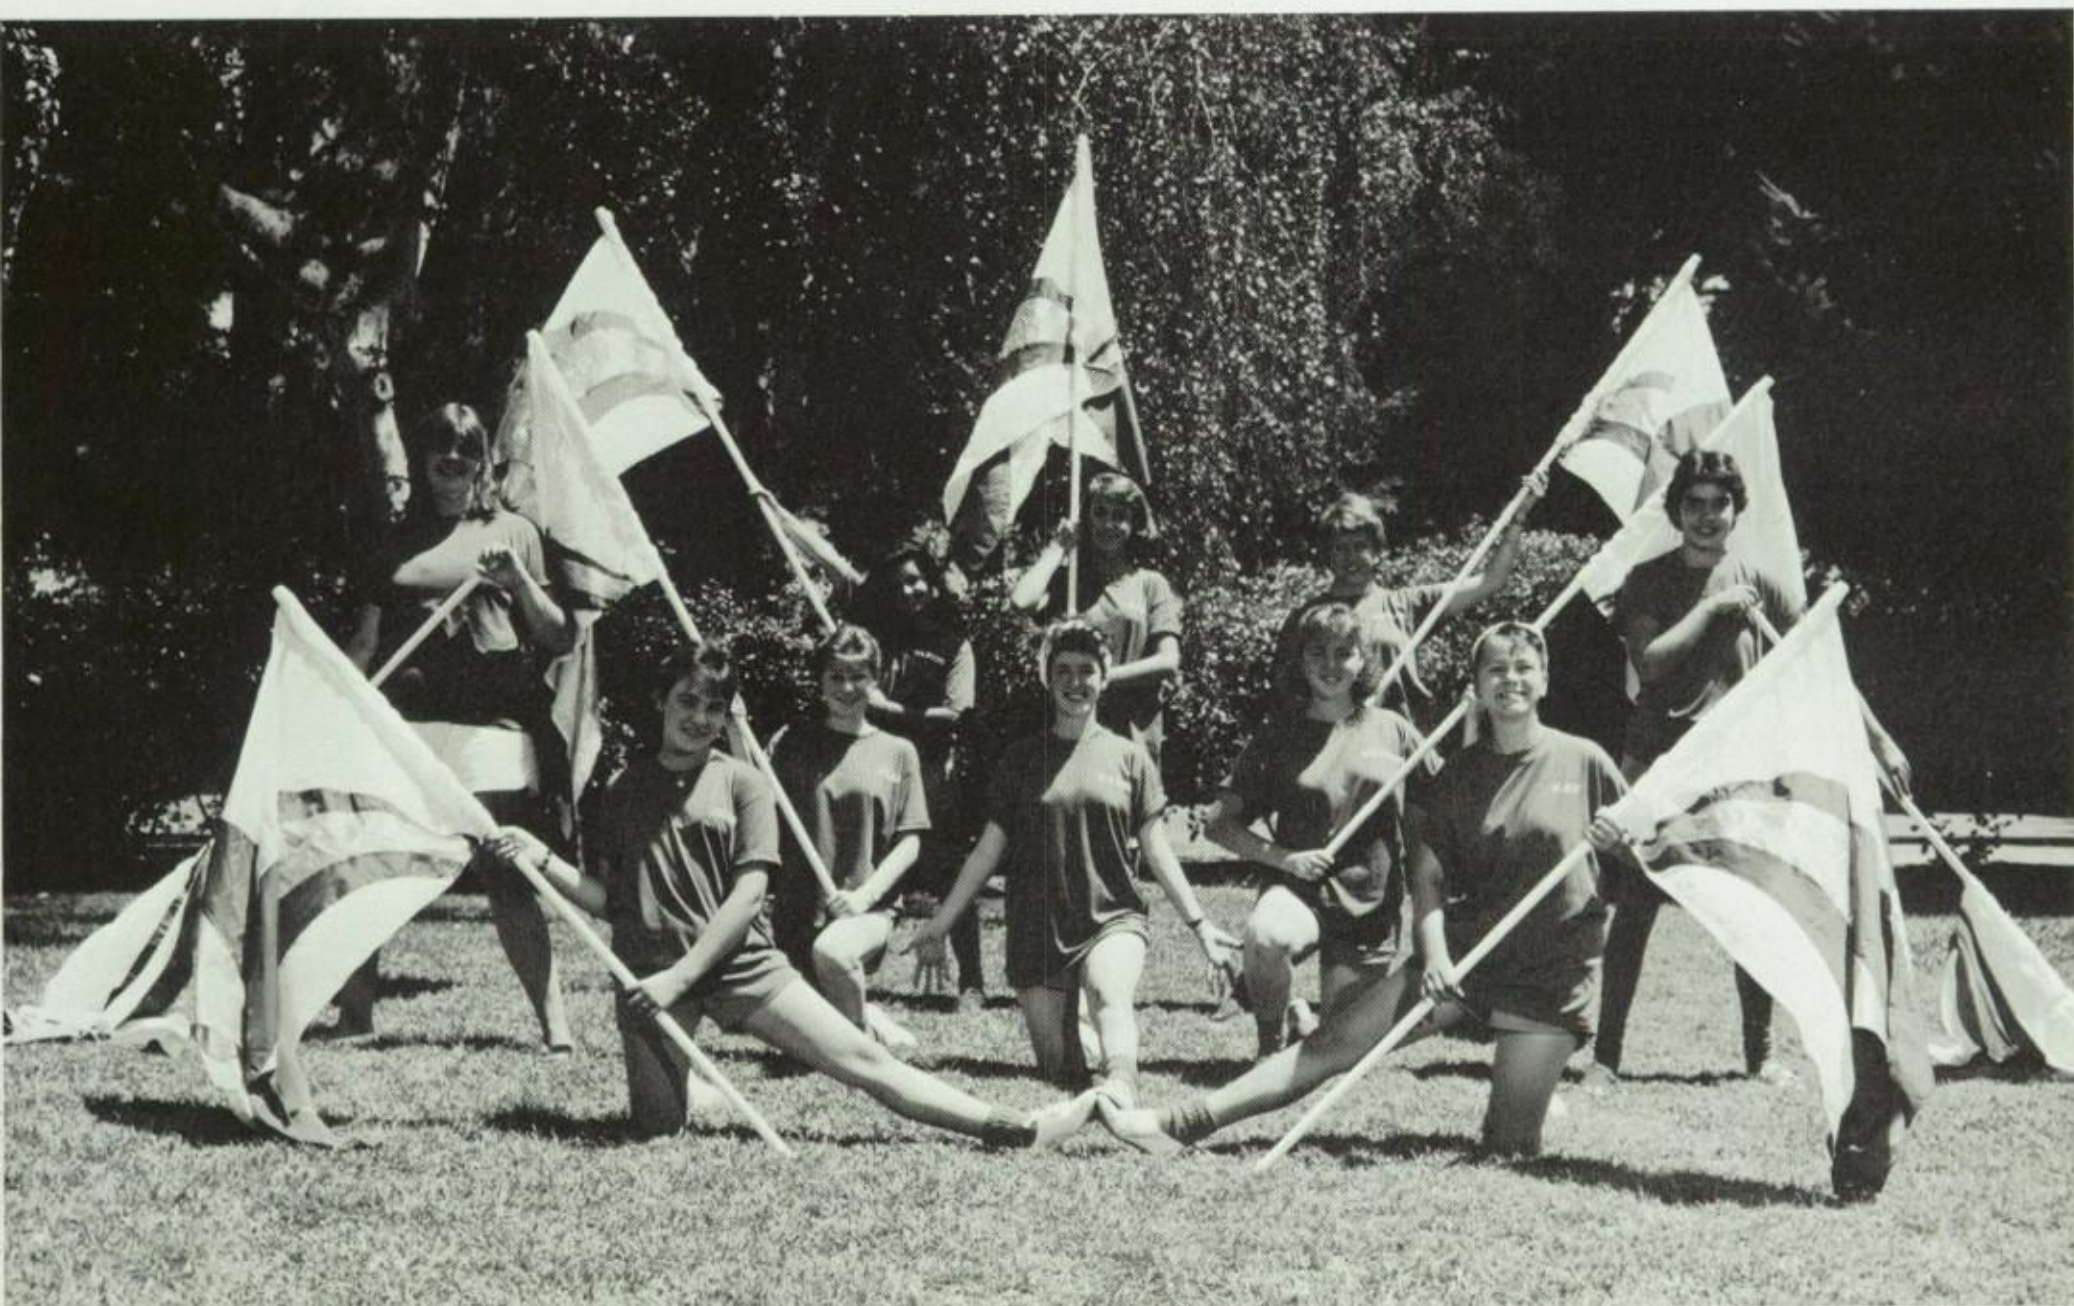

Flag team members: Julie Haines, Jen Howard, Jean Edmondson, Agnna Guzman, Karin Dodson (flag captain), Margo Bellovich, Colleen Butler, Shelley Townsend, Kay Corzine, and Jennifer Miller.

Spirit At Its Best!

All Spirit Leaders, Frosh, J.V. and Varsity Song Leaders attended Spirit Camp held by N.C.A. this past summer. They returned with tons of individual ribbons and small awards for their cheerleading abilities.

Casa Grande Spirit Leaders were voted and won the most spirited of all the squads attending camp. They won an N.C.A. spirit megaphone for their efforts.

They did some fundraisers such as a cheer-a-thon and hot dog sales. The Spirit Leaders showed a great deal of class and promoted school spirit.

Helping Others

The canned food drive this year was a huge success! Almost everybody participated in this glorious event. Mrs. Homrighouse was the advisor and deserves a lot of thank yous for her patience and contributions.

The Honor Society and C.S.F. sponsored the canned food drive and the year of 1986 was the biggest it's ever been. The Salvation Army will receive all the canned foods. Our goal this year was 5000 cans. By the hard work and determination of the awesome Casa Grande Gauchos we

reached our goal.

There were many people to thank, but there was one lady who deserves recognition - Mrs. Tower. She said, "It is a privilege to be a teacher at a school which participates in a canned food drive. It is an honor to work with students who worked so hard to obtain the amount of food turned in. Those who need food will appreciate it more than any words I can say or any prize and honor our classes and school can obtain." Good job Casa.

Hold that pose! T.V. newsman focuses in on Casa Grande student for their great job.

Say Cheese. Mrs. Homrighouse smiles on her student workers.

Who's in charge? A few students showing their enthusiasm for their school spirit.

Follow me. Kent Tribble, Kevin Brogan, Amy Shipley, Carey Victorino, Heather Allen, Tara Ish, Huy Do, Jolyn Andrews, and Janeen Bel-sardi pile up their collection.

Stages Of Success

The Drama department has always been successful in setting up school plays which entertain their audiences and allow the performers to gain experience.

The students are very supportive of one another during auditions, rehearsals and throughout the actual performances. The school plays performed this year were Enter Laughing and You're A Good Man Charlie Brown.

We are looking forward to seeing Mrs. Gardner-Price and her cast of Casa Grande students continue building the reputation of excellent performances throughout the years.

Gaucha Countdown! 1, 2, 3, 4 . . . We are Sophomore.

We Are C.G.

The rallies this year proved to be the spark that gave Casa Grande it's extra burst of school spirit.

The rallies gave each and every Casa student the chance to show just how much spirit they really had.

The rallies were held before prestigious games during football and basketball season and before the Classy East Side vs. West Side matches.

Creativity and participation were the key to success. New ideas emerged showing a touch of originality as well as humor as we watched our classmates have fun.

Seniors, we rule! The Senior crowd gets excited at the presence of a camera, which captures just how much spirit they have.

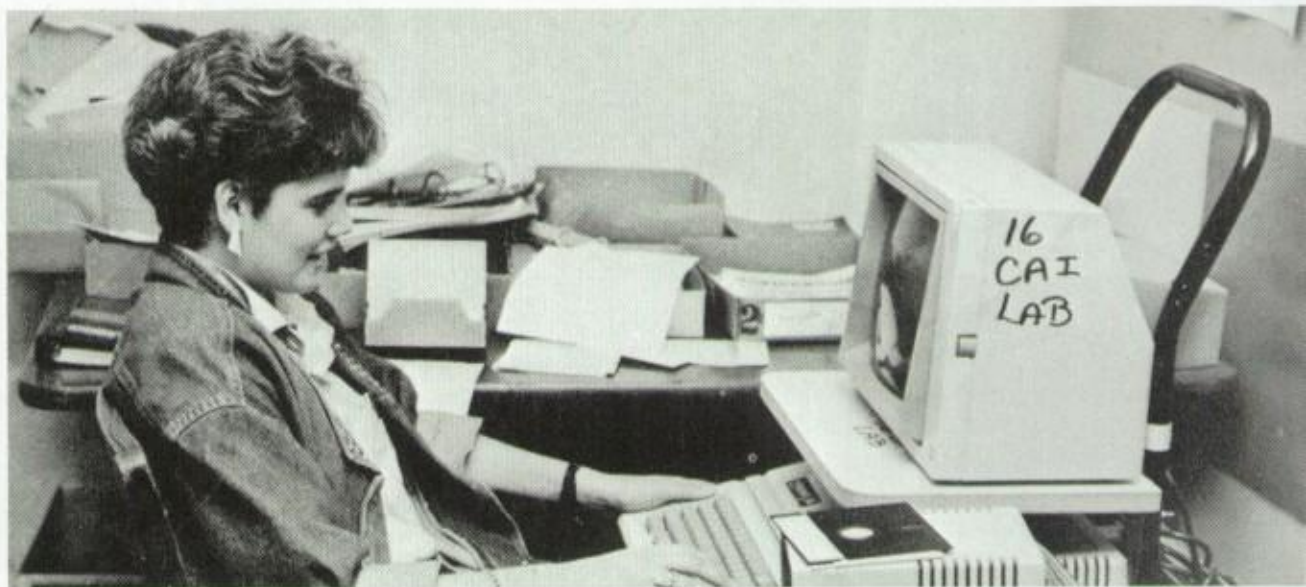

Our Leaders! Leda Zukowski and Jennifer Boutilier provided the editorial leadership for the 1987 Retrospect.

The Yearbook Staff: Angel Minor, Kim Bercaw, Laura Becker, Michael Caulfield, Kim Wells, Kim Hagel, Tim German, Theresa Black, Jennifer Chism, Tara Ish, Joel Wager, Katie Dickerson, Sandi Gordon, Sue O'Sullivan, Jill Hewitt, Roberta Medeiros, Tom Johnston, Cathy Hampton, Debbie Gallagher, Shelly Haggard, LaVonda Avants, Elaine Hibbs, Jennifer Smith, Vicki Allen, Bill Andrieux, Jennifer Grenfeld, Rich Metcalfe, LaWanda Hunter, Jennifer Herzog, Brad Parish, Chris Hines, James Boyer.

We Made It The Best!

The '87 Retrospect was produced by a staff of 2 classes, 42 students. The Co-Editors were Leda Zukowski and Jennifer Boutilier and Mr. deFord was the advisor. Unlike other elective classes, yearbook production is a business. The classes have a budget, decisions to make and deadlines to meet. A variety of jobs must be done, from writing copy, arranging layouts, taking photographs, developing & processing film, selling ads to local businesses, and selling and distributing the yearbook. This year a computer was used to enter all copy and headlines on a disc which was sent to our yearbook company, saving lots of time.

What do you mean, syntax error? Kim Bercaw sits in bewilderment at her assignment.

There's no solution. Laura Becker and Jennifer Boutilier try to cram another picture onto the layout, to make everyone happy.

You want it where? Jean Puckett and Sandi Gordon try to put together a layout.

"Casa" People Are The Best!

Pictured here is Mrs. Mamone. We all remember her smiling face from behind the typewriter that would greet you as you walked into the Main Office. Mrs. Mamone gave Casa five years of dedicated and cheerful service, and watched three of her own daughters go through Casa. Mrs. Mamone accepted a promotion, and went to Cherry Valley Elementary School at the middle of the year; she is now their able school secretary.

We wish her the best of everything, and THANK YOU!

Another of the Special People here at Casa is our School Nurse, Judy Klemenok. She tends to our hurts, physical and sometimes psychological, and makes us feel better for having talked with her. Nurse Klemenok's sense of humor and warm feelings for students make us want to say "THANKS" to her too!

Molly Hoberg is our new Mathematics teacher. She took Beverly Peterson's place when Mrs. Peterson became the Vice Principal for Student Activities. Mrs. Hoberg taught at Montgomery High during the Fall of 1986, and at Mercy High in San Francisco last year. This semester she is also tutoring students in math. About Casa, she said, "The students here are good, and Casa Grande is a very pleasant place to teach." As our newest staff member, we wish her the BEST OF LUCK in her teaching.

Another special person is Darryl Yagi, a counselor at Casa. This past year he was honored as the National Outstanding Counselor. He won the Clarion Modell Distinguished Service award from the California Association for Counseling and Development. This award was a very special one to receive, and we are lucky to have someone like Mr. Yagi on our campus. We congratulate Mr. Yagi, and say, "THANK YOU" to him for his work here at Casa!

We thought Beverly Peterson only knew about numbers and calculations. We were quite wrong! She has taken the position of Vice Principal for Student Activities, and has shown her helpful and gentle manner to students, parents, and teachers. We wish her luck in her job, and also wish to thank her for her hard work and effort — THANK YOU!

Fifteen years and approximately 2,625 school lunches later, Lunn Hovanec, a very special Cafeteria staff person, has packed away her spoons and spatulas, washed her last 40 gallon stainless steel pot, and taken off her apron for the last time. She started here when Casa started, and has seen many changes. She is now retiring to the pleasures of her own kitchen, and we want to give her a big THANK YOU for so many years of dedicated service. We wish you a happy and active retirement.

A special night. King of Hearts, Jeff Mantoani, dances the night away with his date.

Don't ask me. Susan Mamone shows us a few new moves.

Lean on me! What an enchanted evening for the students of Casa Grande.

Romance wins hearts

The '87' King of Hearts dance this year was a big success. There was excitement in the air as the candidates stepped onto the stage for the announcement of the winner of the King of Hearts. The lucky and de-

serving winner was Jeff Mantoani escorted by Andrea Horner representing the Drama club. The evening was a great turnout.

Chess and Games Club

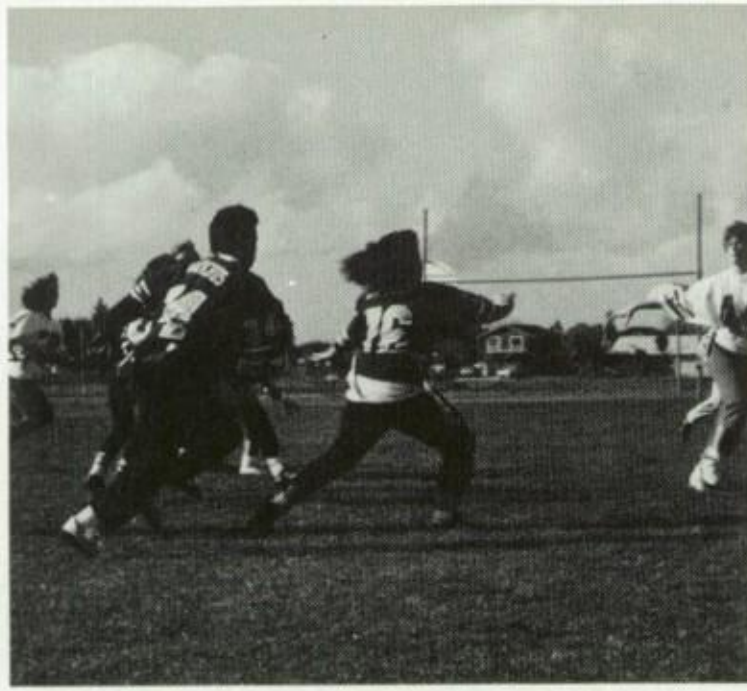

Pictured above and below are the many members of the popular Chess and Games Club: James Renni, Darrin Soper, Shawn Terry, Jeff Tellinghuisen, Cheryl Wobser, Don Feeney, Patrick Yew, Amos Yew, Greg Driekosen, Dan Smaw, Carol Vonkleist, Jamie Williams, Terran Stewart, Sandy Hall, Paul Skeem, Sean McCarthy, Nghia Tran, Ben Dowell, Kevin Kiesel, Alex Bunker, Matthew Ma, Chris Kemos, Dustin McMillin, Alan Weber, Sandy Hall, Marty Gotera, Barbi Zink, Derek Hunter, James Boyer, Jim Hughes, John Hunter, Danny Lester, Eric Foster, Randy Beaudreault, Kim Horton, Jolyn Andrews, Michelle Fong, Carrie Kaufman, Elizabeth Belmares, Debbie McGruder, James Chowning, Christopher Larsen, John Garst, Steve Shu, Mitch Wolfe, & Eric Thompson.

Faced with determination. Jennifer McCarter makes a great offensive run.

Go Christa, go! The Senior Quarterback runs the ball to the outside.

Let's go girls! Jerry Rollins gives his team support on the sidelines.

Out of my way! Christa Andrade finds a hole in the Junior defense.

Powder Puff

The traditional Powder Puff game, Casa v. Casa, Seniors v. Juniors. Who's stronger? Who will retain the title?

Practice after practice, the Seniors and Juniors began to learn plays, signals, offense, defense, punts, and plays.

After more than a month the practice paid off! Yes, the Seniors once again showed that seniority will rise above.

The field was wet, the tension was high and no one knew who would come out ahead.

A winning touchdown was made by Eileen Fernandez as the game began to wind down.

Though the Seniors walked off the field with a smile on their face, and a sigh of relief, the Junior's were a tough team to play.

It is now left to next year's Seniors to hold the title and make us proud.

Let's see an effort to keep on making the best teams even better.

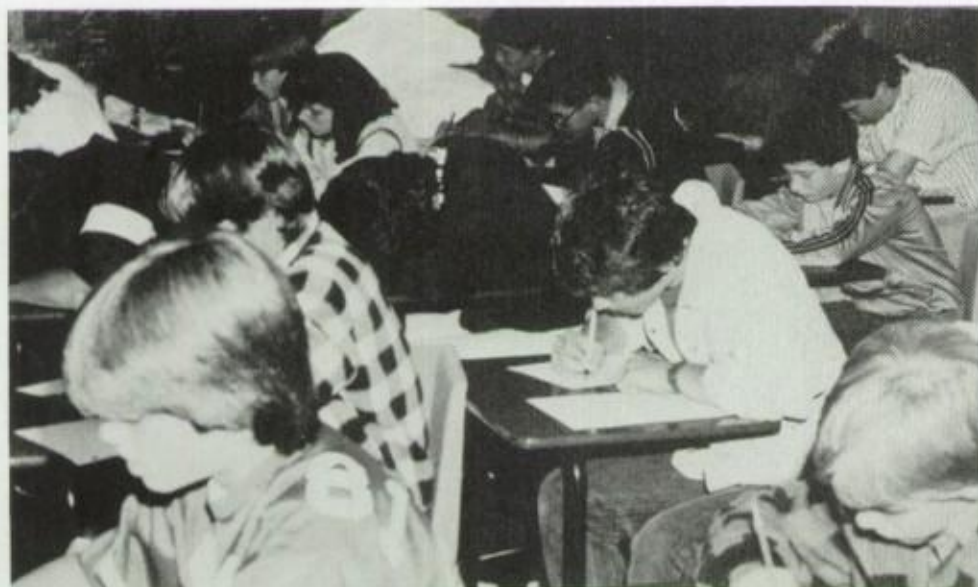

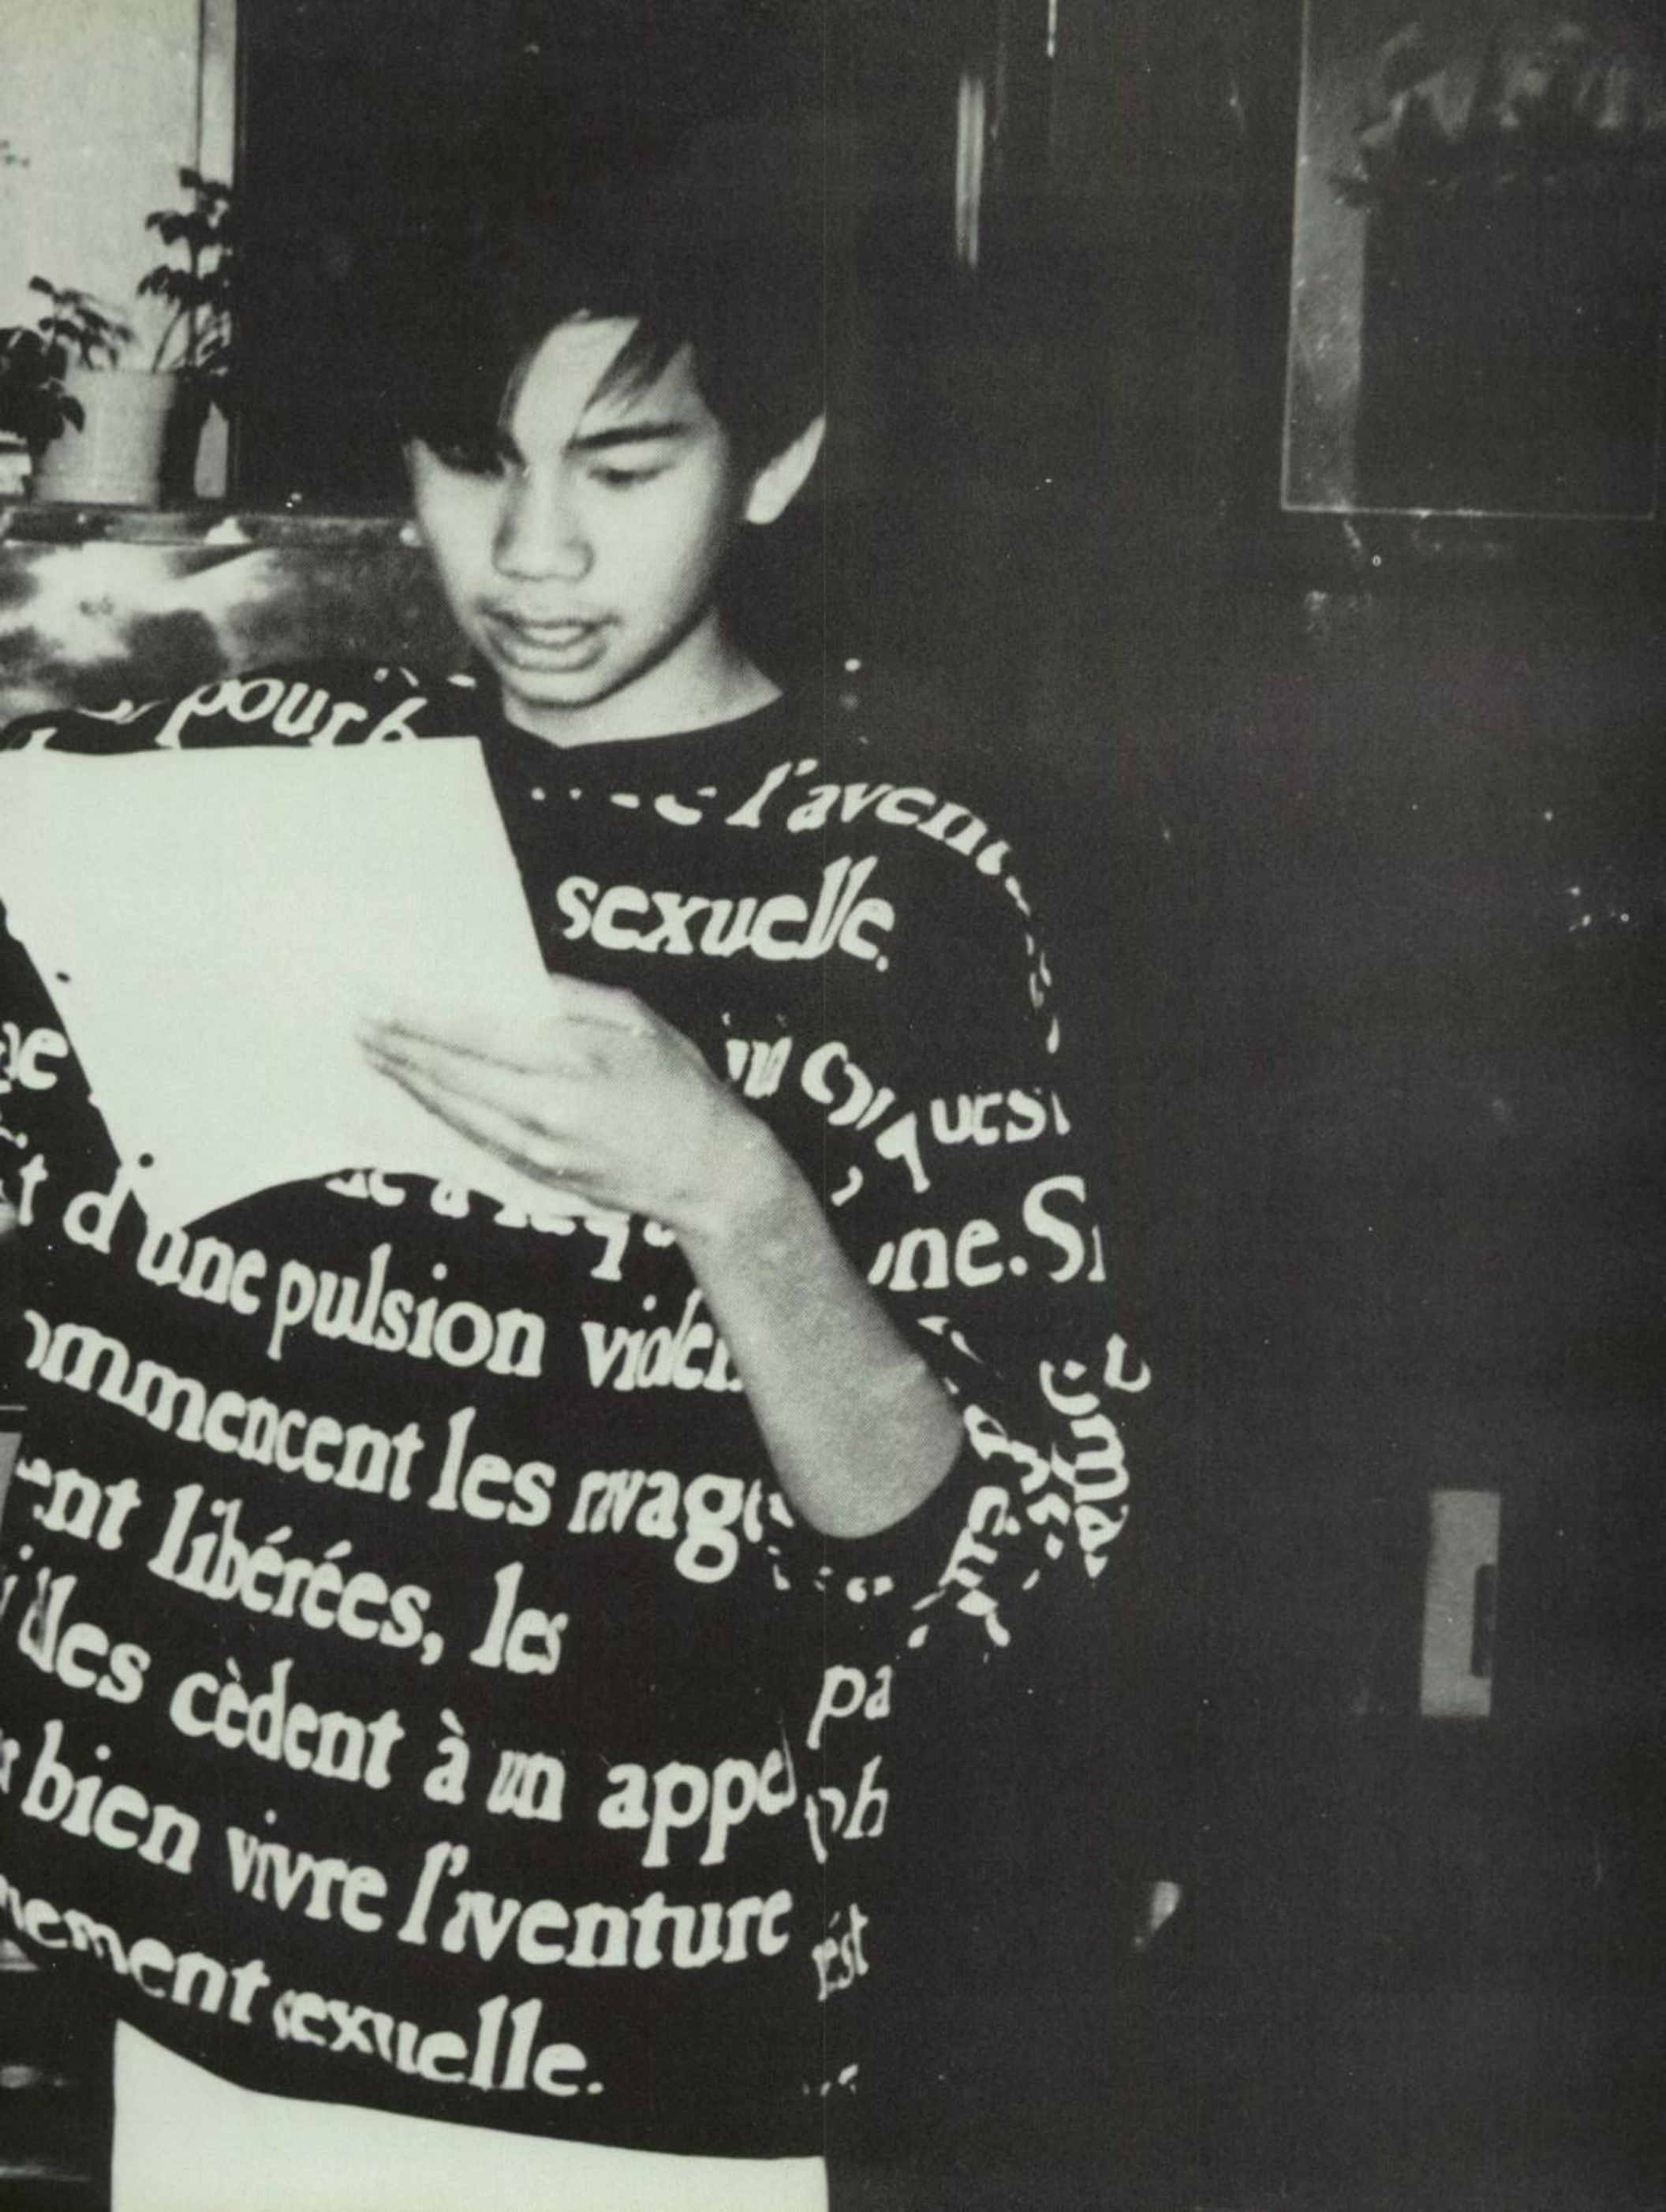

Don't touch me! Candace Brodie slips through the fingers of a tackle by Veronica Aguilar.

Playing it safe. Kim Anderson goes to great lengths to avoid Eileen Fernandez.

Making the Best of . . . Homework

Although nobody wants to admit it, the reason we go to school, is to learn. Not forgetting the social aspect here at Casa Grande, homework plays an important part in all of our lives. Working hard and studying is necessary for us to get a good education. This is when we learn to procrastinate by putting things off until the last possible minute. In the long run, this means staying up to all hours of the night finishing the homework that we try so hard to avoid. But no matter how late we have to stay up, we always manage to get it done and to make the best of doing homework.

THE PETALUMA SCHOOLS BOARD OF EDUCATION AND SUPERINTENDENT Mr. Allan A. Andres, President; Joann Mattei; Mr. Matthew Hudson; Dr. Wesley W. Ebert; Mr. Charles N. Cadman, Superintendent; Mrs. Elizabeth Marquardt.

"Though Casa Grande is relatively young compared to most California high schools, it has already established an impressive tradition of excellence in its academic programs, community participation and athletic endeavors. This rapid rise to prominence is a tribute to the students, staff and administration of Casa Grande High School.

I have every confidence that the marvelous accomplishments in the past merely presage what is to come."

Charles N. Cadman, the Petaluma Schools Superintendent, made this statement during a recent interview.

This is Mr. Cadman's first year as Superintendent, and he is very enthusiastic. He has many goals and expectations for the schools and staff of this district. He believes one of the more important goals that he needs to accomplish this year is to improve communication, communication with the staff and administration, as well as with students. By going to the schools, being in the actual classrooms, and talking to the teachers, he feels that he can accomplish this goal. Importance was also emphasized in meeting with the administration and discussing their needs and problems.

Mr. Cadman feels that the many financial problems that the district is now facing, can be overcome in the next few years.

He also believes the students are obtaining an excellent education here. Many new classes have been set up in the past five years, and many more will follow.

With these, he hopes students are getting the most out of their school years here in Petaluma.

CASA GRANDE ADMINISTRATION

THE CASA GRANDE HIGH SCHOOL ADMINISTRATION Mr. James McGloin, Principal; Mr. Everett Neil, Assistant Principal/Curriculum; Mrs. Cary W. Cranfill, Vice Principal; Mr. Ralph Davis, Assistant Principal/Attendance & Discipline

The principal and educational leader at Casa Grande is Mr. James McGloin. He has been principal here for 5 years. Before that, Mr. McGloin was the Vice Principal in charge of the curriculum here at Casa Grande. Through his years at Casa, Mr. McGloin feels one of the main goals is best summarized in the following quote, "Students are here to learn (to grow) — teachers to teach (to impart). The student in high school develops in a variety of ways — academically, socially, physically, and spiritually. The school, with the cooperation of parents and community, helps in this development. Casa Grande strives to make each of its students live up to their potential to become productive citizens and caring individuals."

Excellence has always been a goal for Casa Grande. Each year Mr. McGloin feels we come closer to excellence through much work, dedication, persistence, and commitment, by both students and staff.

Mr. McGloin also feels that the average student is somewhat "at risk" and not being challenged adequately. The faculty and staff at this, "already fine school" are trying this year to reach those "middle" students. In reaching this goal, he feels the students are receiving the best education possible here at Casa Grande.

The Counselors at Casa Grande are: Mr. Tevendale, Head Counselor; Mrs. Purvis; Mr. Yagi; Mr. Piro.

The Casa Grande Counseling Department helps students with class schedules, student-teacher problems, and college information. Mr. Tevendale has been at Casa Grande since 1973. Mr. Yagi, who is also the School Improvement Coordinator, is another dedicated counselor. Mrs. Purvis and Mr. Piro are new this year. Mrs. Purvis is in charge of the College Scholarship information for students. Mr. Piro is also a chemistry teacher. As a counselor, Mr. Piro enjoys helping students with their problems; he only wishes there was more time to spend with the students. Working with the students at Casa Grande is what Mr. Piro enjoys most. He graduated from

St. Mary's college and has worked as a mortgage broker, and with real estate before becoming a teacher. He taught at Redwood High in Marin County for ten years. Mr. Piro has three children and has been married for ten years.

THE BEST!

From school spirit to students; from academics to faculty; Casa Grande is the BEST.

Throughout the year students kept busy with their own extracurricular activities. All of these events brought together friendships, boy/girl relationships, and most importantly, brought the student body closer together.

One of the main reasons Casa is considered to be so special is due to the individual talents of students and

faculty. Besides attending school, most people have hobbies or interests that set them apart from others. Some of these talents seen at Casa include boxing, raising animals, dance classes, collecting old baseball cards and many more.

Students made the best even better by gathering at social events after school. These included the Rec Dance, the bowling alley, parties, dance clubs, and the good ole movies.

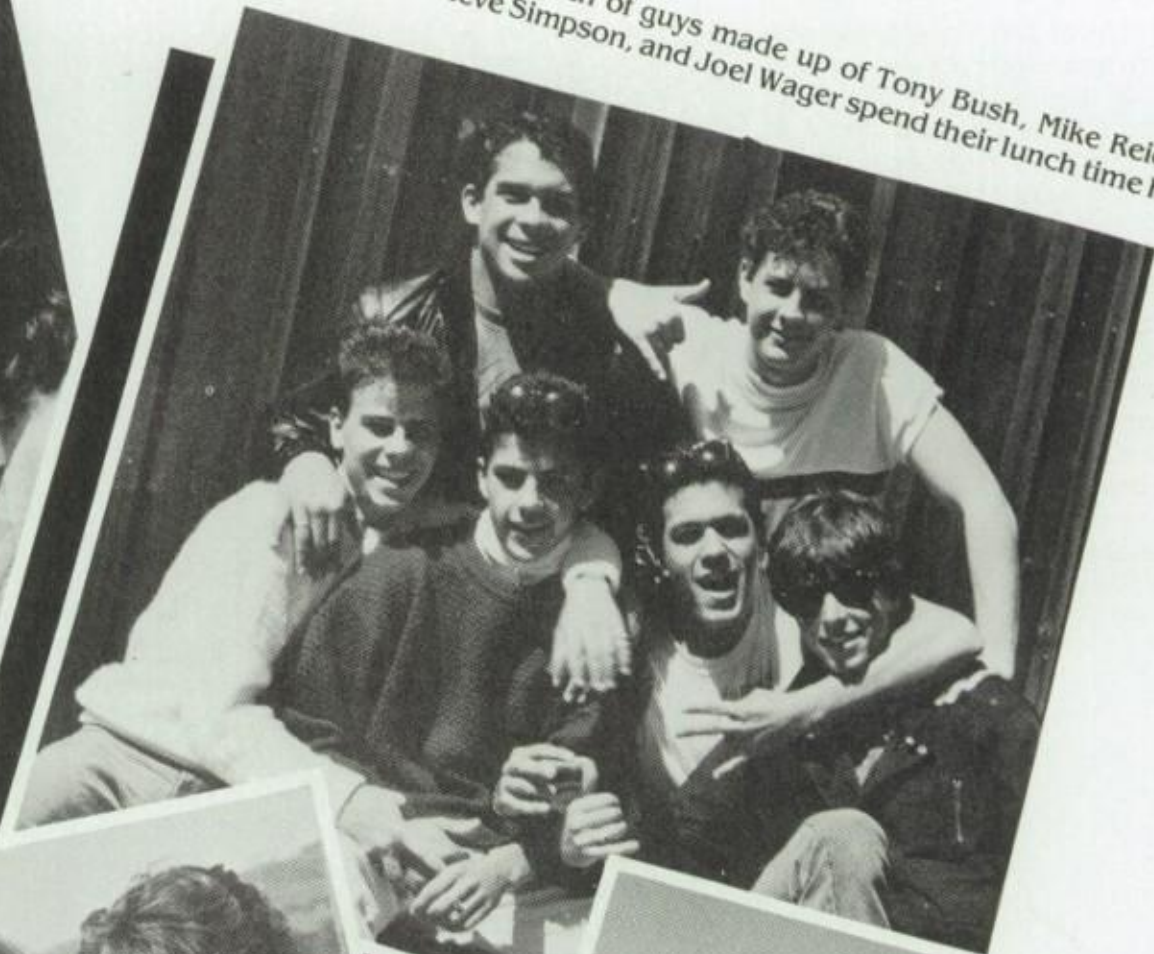

Lasting Friendships

All smiles! Dawn Albertson and Tara Ish are happy that their friendship has lasted through the years.

Righteous Dudes. This bunch of guys made up of Tony Bush, Mike Reid, Dana Shern, Zac Arvold, Steve Simpson, and Joel Wager spend their lunch time horsing around.

Being cozy. Kathy Boyle and Debbie Gallagher shelter themselves from the wind.

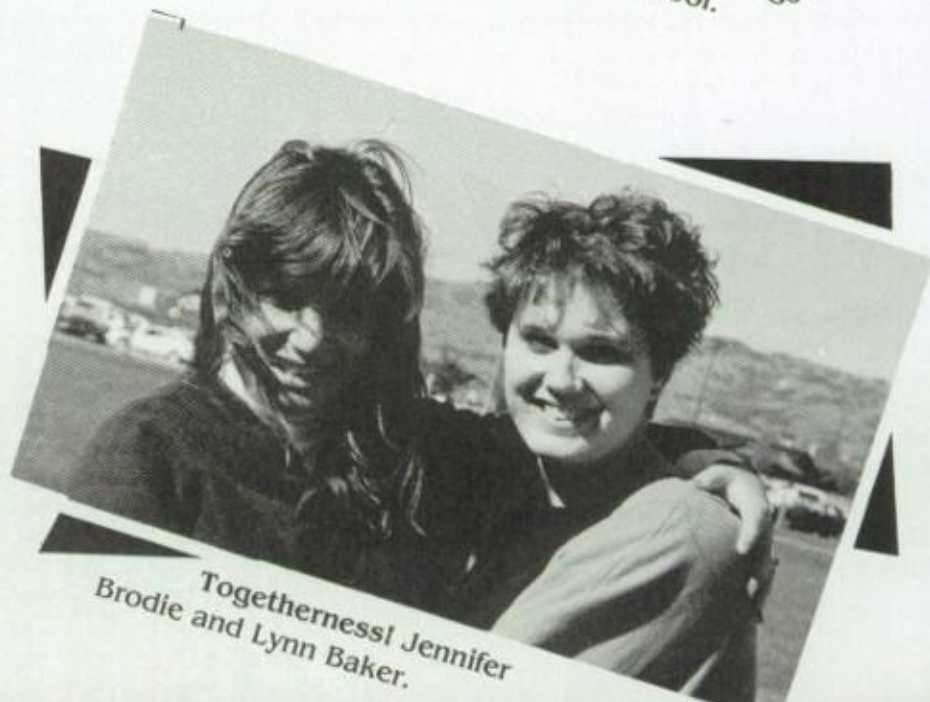

Close Companions. Kim Hagel and Leesa Koolhoven are as close as two can be.

Don't forget your seat belt! The Nova crew hangs out in their favorite trademark after school.

Best Buddies. LaWanda Hunter and Dana Strickland are proud of their years of sharing.

Togetherness! Jennifer Brodie and Lynn Baker.

ALL STAR PLAYER

LANCE CATAROZOLI

Lance Catarozoli has been playing basketball for 10 years and usually practices 2 hrs. a day during school and 7 hrs. a day during the summer. When asked how it feels to have your name in headlines all the time, Lance commented, "It is very exciting and rewarding. Realizing that someone appreciates what you do is very gratifying." When speaking about C.G.'s basketball team, Lance said, "I really enjoyed playing for this team, probably more than any of the other Casa teams." Lance feels empty and hurt when the team loses. "It is very hard for me to accept defeat because it means either I made mistakes or the other guy was better than me. Lance added, "I love basketball. It is my life. When I am on the court, I get a feeling like I'm on top of the world. Sometimes I feel like I can do anything I want to. It is the biggest high and I wish everyone could have that feeling at least once in their lives."

-Jennifer Boutiller

"The love you give, is equal to the love you take."

Here at Casa Grande we have a special teacher who should be recognized; Wildlife/Forestry teacher, Mr. Tom Furrer. Mr. Furrer's Science program won the Golden Bell Award, a prestigious award naming his science program #1 in the state of California. Making this even more of an honor is the fact that Mr. Furrer is the only person who has won this award for the second time.

When asked how he acquired such an excellent program, Mr. Furrer stated, "It's my students' effort and their desire to build an excellent program. We won this award through the work of my students past and present and their interest in learning. That's what has made me go so far."

For those of you who don't know Mr. Furrer, he's extraordinary in more ways than one. He has applied for the Nasa Teacher In Space Program and was this year, chosen to qualify.

Mr. Furrer spent five days at a Nasa Training Center in Huntsville, Alabama with many other people all over the U.S. He thought it was the greatest experience ever. He had the chance to experience being an astronaut and he got to go through a lot of the same training programs as Nasa's astronauts, including a simulated space shuttle flight. Mr. Furrer's face lit up when he expressed his greatest dream. "I want to fly that arrowed flyer right up into heaven." He is very much looking forward to returning to Nasa next year for another training program.

Congratulations, Mr. Furrer, and good luck with all of your dreams. We at Casa Grande think you're the greatest and an inspiration to us all.

MOST EMBARRASSING MOMENT

Karen Petersen: In 7th grade I was running with my friends at a basketball game, when I tripped and fell in front of the 8th grade guys.

Greg Gin: When someone accidentally hit me in the head with his umbrella in front of the whole class.

Tony Amaral: "Talking" to Gina Bellovich's chickens in the pouring rain.

Laura Chiaro: Performing to no music at the Petaluma-Casa basketball game.

Dana Shern: When I was in 7th grade I was playing basketball and there were a whole bunch of girls watching me. I went back for a pass and the ball hit me in the back of the head.

SITE COUNCIL

The Casa Grande Site Council is an advisory committee which tries to develop programs for the betterment of the school. Mr. Darryl Yagi is the school coordinator for the committee. The committee is composed of administrators, teachers, and students; Paul D. Fletcher and Gina Bellovich are the student members. The committee meets once a month to make sure school money is spent the right way. The committee listens to the students to help them make decisions and the students have voting power on the committee and are involved in the curriculum review study of the school.

Hot Styles

Boots are in! Boot-wearers show a wide variety of fashions.

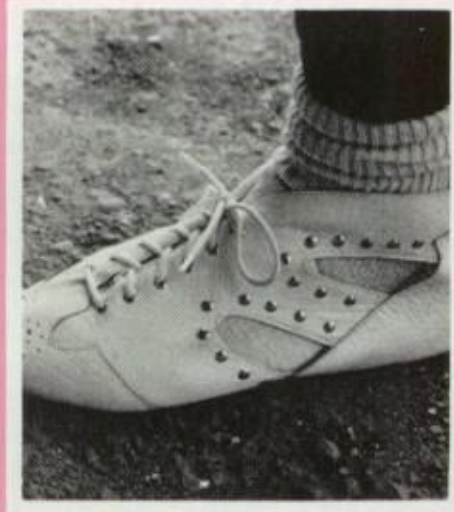

No kidding? Ivette Hernandez wears her favorite outfit.

Relax! A fringe wearer thinks she's totally cool.

Originality. All sorts of strange shoes were acceptable.

Hey, I'm cool! Dan Norton remains cool even as he's about to take his English test.

Good buddies. Beth Mann and Mark Daniels have completely different ideas about fashion.

Beware! Steve Kelleher, Seb Brewer, Kevin Tentis, Nathan Mitchell, Greg Moore, Kevin Fenk, Rich Metcalfe, and Ron Cazamarek, the T.I.P.S. gang, are totally into it.

CASA HAS CLASS

This year we had the chance to prove that Casa has class. We wanted to do this because of the belief at Petaluma High that they were better, than us and that we had no class. WELL, We proved them wrong as everyone went dressed semi-formally to one of the games against them and we showed the

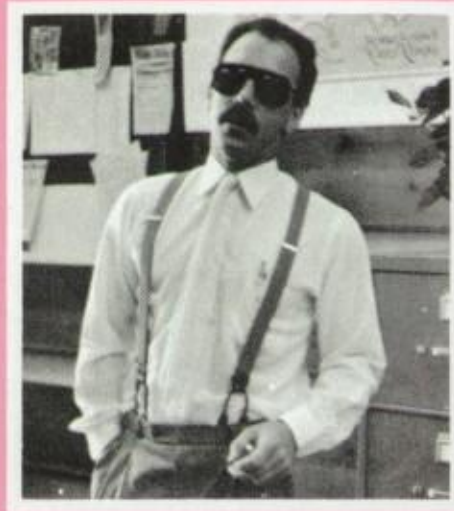

most sportsmanlike conduct ever to be found at a high school basketball game. The most ironic thing about the whole issue is that at the last game against them, when we won the game, the Petaluma fans cracked under the pressure and showed definitely less-than classy behavior.

-Leda Zukowski

Collage of fashion. The wide varieties of fashionable items offer a world of choices.

New man in town! Mr. Marelo is a prime example of a GQ teacher.

Hey! Can I borrow that sweater? Tiffany McGrath is commended for her great outfit.

Falling fashion. Sharleen O'Brien shows what being a knock-out really means.

SECRET PALS

The C.G. Secret Pal program is a positive experience for both the teachers and students. This program is also a chance to

provide a better relationship between the two. The 5 organizers of the S.P. program are Joanne Chessen, Momo Rich, Nancy Thompson, Sandra VonArb, and Ben Dowell.

Playing in the mud?

Get back to class!

Mrs. Weir's 3rd and 5th period Freshman Honors World Geography classes learned the purpose of forming their own culture and civilization. One team would bury the artifacts and the opposite team would dig up the buried artifacts. The 2 teams identified each other's culture and civilization. This helped them understand how civilization came about.

5-MINUTE INTERVIEW

"Students have the potential, but schools don't seem to notice", says Audrey Wright. California Association of Student Coun-

cils and the Senate Youth Program have both given Audrey a better appreciation of our government and America. Audrey dreams of being a Senator someday, but hopes to major in robotics, the creation of artificial limbs. But she will never give up on education, it will always be an important part of her life and she is a strong advocate for students rights. She is also publishing a book about how to make your school years easier, and a lot more fun. And if there's one thing Audrey would like to get across to all students, it is that, "changes can be made, and you can make a difference!" Audrey is proof of that.

Lyn Baker

Dear Lyn,

The time has come to graduate.
Has eighteen years passed by?
It seems not so very long ago,
I held you when you'd cry.

I always tried to teach you love
and how bad it is to hate.
Stay true to what you know is right
The temptations of adulthood are great.

Take care of yourself, my precious one
like I always tried to do.
And remember if you hurt yourself,
that you also hurt me too.

I know it's time to let you go,
to choose the way you want to live.
life is what you make of it,
you only get what you're willing to give.
You've studied hard and learned a lot,
now here comes the ultimate test.
So get from life all that you can;
please always give it your best!

Debbie,
Only as high as you reach can you grow,
Only as far as you seek can you go,

Only as much as you dream can you be.
Congratulations!
May you have a lifetime of happiness.

IN MEMORIAM

Al Bonovitch

Casa Grande and the community lost a good friend this year. Al Bonovitch spent the last two years of his life, which he called borrowed time, at the Casa Grande woodshop with the students designing and building wooden toys for needy children in our area. Al provided the leadership and direction for more than 75 students who helped Al manufacture the maple and cherry wood trains, airplanes and trucks.

Al arrived every morning with the students and spent three good hours working with them each day. Al was a grandfather to some, and always a supporter of their work and projects. He loved working with the students, and the students related to him.

For many, Al and the "Wooden Toy Project" were the one positive thing in their life. We will all remember Al, his compassionate and helpful manner, and feel fortunate for having known him as he worked at Casa.

IN MEMORIAM

Steve Dallas
 1967 - 1987

Steve

He sits among the creatures
 not able to distinguish a sound,
 knowing no features
 but knowing all that is around.

His life was that of struggle
 his tears, tears of pain,
 wanting to run like the others
 to laugh and dance again.

He wished he could enjoy the wildlife
 and had to swallow his pride
 when he thought of Nature's creatures
 we so carelessly cast aside.

The outdoors meant the world to him
 and I'd often hear him say,
 when he saw his friends fishing
 how he wished he could be that way.

His mind was that of a thinker
 his soul a loving shield,
 and in his soul were all the nice thoughts
 that Nature's goodness could yield.

He's gone to run and play again
 for all eternity,
 and although we will miss him,
 we cherish his sweet memory.

Steve, we'll never forget you,
 you touched our lives in a special way;
 We miss having you close to us
 and we just want to say —
 We love you-

Julie Lambert and Tina Kirk

IN MEMORIAM

Jim Salkeld
1968 - 1986

When we think of Jim Salkeld, we think of an outgoing, funny, independent individual.

He was a good soccer player and loved the band, AC/DC.

Jim was loved by his friends, family, and his girlfriend, Patricia.

He will always remain in our hearts, and we will never forget him.

"We understand death for the first time when he puts his hands upon someone whom we love."

-DeStael

COLOPHON

Approximately 1,100 copies of the 228 page 1987 RETROSPECT were printed by Walsworth Publishing Company of Marceline, Missouri, with the able guidance of their representative, Debbie Carroll.

Portrait World of Santa Rosa shot, developed, and printed all the underclassmen mug shots. Bill Andrieux, Photography Editor, and the rest of the staff, were responsible for the majority of the group shots seen throughout the book. Our Seniors had their photographs taken by various professional studios in the Petaluma and Santa Rosa area.

All of the body copy was set in 10 point Benguiat, the type face seen on the pages of the book. Captions were printed in 8 point type. The copy is set and justified. The headlines are set in 36 point bold type.

The 1987 RETROSPECT Staff would like to extend its thanks to Debbie Carroll for all her help throughout the year, and special thanks to our Advisor, Kirk deFord, for all of his creativity, hard work, and long hours. We would also like to thank the Faculty and Staff for their help and understanding as we put the book together. The Argus-Courier and B & B Photo also need to be thanked for their help.
